

ATTENTION VISITORS

Effective, **October 13, 2018** Harris Hospital Patient Visitation Procedure

- If you are not listed on the Patient's Visitor's List the A&D staff will contact the respective lodge to ask the patient if visitation can be granted. If so, the Patient's Visitor List must be hand delivered or faxed to A&D by nursing services before Visitation is granted
- You will be required to complete the Confidentiality Agreement/Record of Visitation form. This form will be filed in the Visitor's Record file folder and remain on file until patient is discharged. (See reverse side of this page) You must present your Picture ID, Student ID, Voter Registration Card or Driver's License number to the A&D staff for verification purposes. **Refusal to consent to a search will be grounds to prohibit you from entering the facility.**

The Visitor's Protocol

- Visitors under the age of 18 will not be allowed to be left alone in the main lobby without an adult from the same party. A&D staff will ask for identification to validate age in order for visitors to remain in the main lobby alone.
- Visitors are not allowed to bring hand bags, back packs, fanny packs or any other items of this type into the facility while visiting patients. Any bags and /or packages with items brought to patients by visitors must be declared at the information center and cleared through Public Safety. These items will be left In the A&D office and delivered to lodge by hospital staff and secured in the designated patient storage areas.
 - Visitors are not allowed to bring food to patients from outside the hospital unless the patient is on a "Ground Pass." The visitor and patient may eat in the canteen. Food cannot be taken from the canteen to patients on the lodge.
 - Visitors observed or suspected to be under the influence of alcohol or other drugs will be asked to leave hospital grounds.
 - Visitors will be prohibited from bringing cellular phones, cameras, or tape recorders into the facility.
