Rotary – We are: ***Service Above Self***

Founded in 1905, Rotary is the world's first volunteer service organization dedicated to advancing world understanding, goodwill and peace through the improvement of health, the support of education, and the alleviation of poverty.

At the Rotary Club of Shenendehowa we are leaders and professionals in the community who want to make a difference. We work in support of many worthy projects, both worldwide and locally, that change and save lives.

We meet every Thursday morning at 7:15 via ZOOM. Each week we discuss our plans and progress for our efforts in the community. We enjoy lively speakers from various disciplines throughout our community on topics ranging from health, human services, the environment and more. You are welcome to join us.

Some of the local and international programs we support:

Ending Polio - We continue to provide life-saving polio vaccines to children around the world.

Dictionary Project - Every year we give dictionaries to every third grader in the Shenendehowa school district.

Gift Of Life International - We work with doctors to bring children to the US for life saving heart operations.

Ronald McDonald House - We cook and serve breakfasts for families staying in the Albany Ronald McDonald House

Mohawk Towpath Scenic Byway - We donate time and to help improve the Erie Canal Towpath.
