

# YOUR HEALTH IS OUR #1 PRIORITY

If you're worried about the Coronavirus (COVID-19), please be reassured that we are following the health and safety guidance as prescribed by the Centers for Disease Control and Prevention (CDC), as well as the local public health department.

## Here are the actions we are taking

### Keeping People Safe

We train our employees on health and safety standards.  
We screen the health of our suppliers, employees, products, and customers.  
We actively encourage sick employees to stay home.

### Securing a Healthy Environment

We are deep cleaning and disinfecting our business including high-touch surfaces.  
We are taking measures to avoid crowding and limiting customer numbers in our store to keep you safe.  
We are distancing employees to designated work areas.

### Creating a Flexible Workplace

We are operating all music lessons online with free tech support.  
We are accommodating employees who become sick or have a sick family member.
