

Dear Prospective Sponsor,

Bombers Softball Elite is a non-profit organization that promotes physical and character development of our youth. Designed to establish the values of teamwork, sportsmanship and softball excellence. Bombers Elite Softball strives to create a quality experience for the athletes and their families. More than a game; softball has the ability to enrich the lives of players, parents, coaches and volunteers alike. Many of our players have set their goals to play at the Select, High School and NCAA level giving them opportunities beyond the fields they compete on.

At Bombers Elite Softball, we are hoping to begin a tradition that will support hundreds of youth each year. As you know, operating such a program requires a great deal of resources both in manpower and financial support. In order to keep our tuition fee affordable and provide scholarships for families with hardships, Bombers Elite Softball will rely on businesses and individuals to partner with us as we seek to be a positive influence for this generation. Equipment, uniforms and travel are three of the main operating expenses that depend on business and individual partnerships.

Please consider being a sponsor to support Bombers Elite Softball for the upcoming year. Your investment will help strengthen an important program for the young ladies in our community. Bombers Elite softball is federally classified as a 501c3 tax exempt organization. Your contribution is tax deductible.

Let's partner together and rise up future leaders.

Thank you in advance for your support,
Bombers Elite Softball
