## What to Bring

---

Students will need hard-soled shoes with heels and jodphurs (riding pants) or comfortable stretch pants. They will need to wear a helmet while riding and may either bring their own or borrow one from us.

Bring a bag lunch with extra snacks and bottled water (or a water bottle to fill from the tap). Refrigeration is available for lunches.

Bring sunscreen.

Please bring a change of clothes (shorts and sneakers) and a bathing suit. No flip-flops or sandals! On hot days, we may be playing in the sprinklers or doing a water activity so students may leave extra clothes at the barn for the week.

## Pickup Arrangements

---

### 13. Will anyone besides the child's parents be picking up?

Please let us know of any pickup arrangements for your child if you will not be picking up yourself. Include the names of anyone other than parents who have permission to pick up your child from camp.
