Although our church looks a little different, and the way we act is different— we still celebrate that we are back worshipping, where we feel at home— our church sanctuary. If you have not come to worship yet, we want you to know that we have made things very safe— probably safer than anywhere you might go. It is mandatory to wear a mask and sanitize your hands as you enter—we will check your temperature, too. Everyone enters through the side aisles and sits in every other pew. We do not sing, pass the offering plate or pass the microphone. There is basically NO touching or contact with anyone else. The ushers dismiss members from their pews one at a time and social distancing is being done at all times. We keep a written record of all attendees just in case we would need to contact you. We invite you to come and join us! You'll be so glad to be back in God's house!
