From the Presidents' Desk

Now that March Madness is over, the rains are pretty well done, and spring is knocking on the door. It's now time to take stock of where we are and where we are headed.

Our current Rail Duster class is exceeding our hopes and expectations, and have finished all of the Mainstream calls. Arlen must be pleased with the group's progress because we haven't heard him say "We're gaining on it" more than once a class. Now the Rail Dusters are making plans for their June graduation.

We are getting ready for "The Great California Adventure" which is taking place in Anaheim in May with side trips and fun for all.

The size of our monthly dances has been increasing steadily. Our new slate of officers for the Trail Dusters (see page 6) are a great group of dynamite people who will no doubt take us to new heights.

So, as your presidents, we want you to know how thankful we are

to be currently working with such a dedicated group of talented officers, and how happy we are to be able to take the credit for the great job they are doing. With everyone's help, the Trail Dusters family are at a new level of skill and friendship. Your direction and your energy are what makes the Trail Dusters such a wonderful dance club.

Many thanks to you all.

We'll see you in a square.

NEXT BOARD MEETING

APRIL 4, 2017

7:30 P.M.

LYNN & JOEL OVADIA'S
HOUSE

Welcome the warmer weather and the flowers - we have already had the showers

Come out to our monthly Club dance on **Saturday, April 8**, with Rod Shuping calling. Rod is one of those callers who has a lot of fun calling – and that translates into all dancers having a great time. It's a pleasure to dance to his easy style and upbeat music. You will know most of his tunes and you will catch yourself singing along! Milo will be there cueing the round dancers with his usual smooth style that the dancers enjoy (they make round dancing look easy!).

Of course there will be food – as always it will be plentiful and delicious. If you have not learned by now let me repeat that eating at a Square Dance involves no calories. That's right there are no calories consumed. Somehow by magic they disappear.

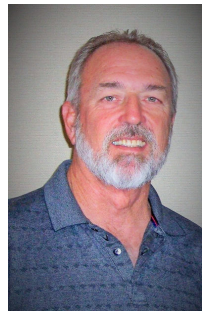

Please plan to attend – come out and support your Club and the Board of Directors. These monthly dances are fun and one of the reasons for going to classes each Wednesday. An evening of friendship, laughter, conversation and food – all this for \$7.00 per person! It is the best entertainment bargain in town - see page 10.

**KNOW YOUR APRIL 8TH CALLER
ROD SHUPING**

The April 8th Trail Dusters dance will be called by a long time friend of the local dancing

community, Rod Shuping. Rod has been calling Square Dances since 1971. He loved calling so much that in 2008 he gave up working a day job and became a full time caller.

Rod is also very creative. He has recorded many top ten Square Dance Singing Calls and has helped produce many more. He is a co-owner and producer of three Square Dance record labels – Fine Tune, Gold Wing & Sharpshooter.

Rod and his lovely wife, Gail, were married in 1978. They have three children and five grandchildren. They feel that square dancing has been a major part of their lives. It has brought them many lifelong friends that have shared the good times that came their way.

Rod wants the dancers to have an enjoyable time when they attend a dance. And he will do his best to make sure that we have lots of laughs. So come on out for an energetic, fun evening with Rod and your Trail Duster friends.

Updated Trail Duster Roster Published

All Trail Duster members in good standing should have received the February 2017 Trail Duster roster via email during the past month. If you did not receive a copy, it may mean that we don't have your correct contact information. Please let us know if that is the case so we can take care of it for you.

You are welcome to print a copy for yourself, or keep the roster on your computer, tablet, or phone. Please remember that the roster is for Trail Dusters only, and is not be distributed to anyone other than our members.

We strive for perfection in the roster. Sometimes we only get close. Please make the following change: The correct telephone number for Trail Duster Marlene Kane is 818-489-6417.

Roster updates and publication take place twice each year – once in February after the yearly renewals are collected and once again in July after the new graduates are added.

If we receive any corrections and changes during the year, they will be published in the next Dusty Trails published in July.

Wearing Of The Green Our March 11 Dance

No leprechauns showed up at our "Wearing of the Green" dance but 68 Trail Dusters,

12 Rail Dusters and all of our

guests did! This was a class level dance and we were thrilled to see so many of our new dancers attending. The room was packed with over 13 squares and many Round Dancers. We loved all the creative green outfits.

A big thank you to Susan and Steve

Langberg for providing our

refreshments - Cheese and crackers, veggies, fruit, chips, cookies and ice cream kept us happy.

Our dynamic caller duo, Dick Hodnefield and Don Schadt, kept all of our squares shaking and guessing as to what the next call might be! Milo Molitoris cued to a full floor. Don't forget to attend our "Spring Fling" Dance with Rod Shuping on April 8—see pg 2.

Sunshine & Showers

I'm delighted to report lots of sunshine coming the way of several of our Trail Duster family members this past month! First, a brand new grandson for **Mimi Steinberger** and **Hal Rothberg** arrived on March 2nd. Little "Dax" was born to **Mimi's** son Marc and his wife Jenna in Hawaii — where the young family resides. Now **Mimi** has one more reason to travel to Hawaii! Here's wishing the entire family much joy and happiness on the latest arrival! **Flo** and **Bill Tapp** have recently returned from New York and

Michigan where they attended celebratory events to announce the engagement of her granddaughter, Sarah Solway to Daniel Nussbaum. "Thrilled beyond words," **Flo** tells us that Sarah is currently studying Business at LACC while Daniel is a journalist/writer/reporter for an online newspaper. The young couple is planning a summer wedding. Congratulations, **Flo** and **Bill**, and to all your family. We know this is an exciting time for you, and we wish all of you much happiness now and in the future.

Jeff Cohen is happy and grateful to be back home, complete with his wonderful sense of humor, where he is recovering from his February 23rd surgery during which one kidney was removed due to a malignant mass inside the kidney. **Jeff** went to the hospital for a totally unrelated issue. He had no pain and no symptoms, and the mass was discovered quite by accident! Thankfully, it was found and removed in time! **Jeff** and his wife **Sandy** both urge each and every one of us to heed the lesson here. That is, we need to go for regular checkups, to pay attention to the warning signs when anything appears to be amiss, and call our Dr. to make an appointment! **Jeff**, we are ALL grateful that this was found and taken care of in time, and we hope that each new day finds you feeling stronger and closer to being fully healed! We hope to see you back with us at Trail Duster functions as soon as you are able!

After spending numerous visits in the hospital where each of them was dealing with a variety of issues, I'm so very happy to report that **Kay** and **Don Mann** are finally both at home and doing well! My only regret is that I missed a wonderful "photo op" when the two of them were wheeled out of the

hospital, side by side in their wheelchairs — holding hands! **Kay** and **Don**, we hope you will continue to stay well so that you can resume all the activities that you both enjoy!

A recent phone call to our home from the Los Angeles Ronald McDonald House informed us that a Volunteer Appreciation Luncheon was being planned. We were told that it is to take place at the House on Saturday, April 29th where we, **Norm** and **Rusty Kaman**, are to receive the Mary Mason Award for having been selected as the Volunteers of the Year! Needless to say, this came as a tremendous surprise to both of us, and we are deeply honored and grateful to have been chosen for this Award. It has always been our pleasure to assist people who appreciate our efforts — and the efforts of our club, and we hope to continue doing all that we can to help in the future.

Please continue to share with me — and with our club family — the events in your lives. Just use the e-mail address below to contact me with the details, and I will be happy to present your news in the next monthly newsletter. Remember — this is for all RAIL DUSTERS as well as Trail Dusters! In the meantime, warmest wishes for a most happy holiday, whether you're celebrating Easter or Passover — or both! May it be a wonderful occasion for you and all your families!

Fondly,
Rusty Kaman

Trail Dusters and Rail Dusters are off to a "Great California Adventure" for our Spring Weekend May 19-21

We are going to Anaheim for our famous Spring Weekend this year. We are going to the gorgeous Hilton Doubletree in Orange, and that's where the awesome fun will begin. We are excited to initiate our Rail Dusters into this traditional event.

We will check into the hotel from 3:00 pm on and prepare for our Happy Hour followed by our Banquet Dinner. Of course, lots of surprises and fun activities will await you for both of these activities (besides eating and drinking), and we guarantee a wonderful time. No square dancing but be sure to wear comfortable dancing shoes for our nightclub.

The weekend is very casual, so store your New Year's Eve attire away and get down to basics. However, you will need to dress as a "Tourist" for our Saturday Night Banquet. Be creative and don't forget your cameras or iPhones to take pictures of yourselves against our backdrops. The two evenings won't end until we close down the Hospitality Room after midnight.

Saturday morning, you will wake up to a day packed with other activities. We have booked a private docent tour of the Crystal Cathedral for Saturday at 10am (free) for those of you who want to join us. Other exciting things to do are visiting Downtown Disney, the discount shopping mall nearby,

museums, parks, a zoo, hiking, and eating see pages 12, 13, 14. The tennis courts this year are on our hotel site. These are just a few of the adventures that await you. You can pick and choose your fun, and you will leave feeling that "I wish we had more time."

Saturday night will include another famous Trail Duster Show. Sunday will finish with our installation of new officers, the famous and unequaled Joke-Off by Judith Altman and a final good-bye destination lunch. **Details will follow on everything mentioned in this article for those of you who have registered to come.**

If you have not done so, please send the rest of your money by April 19th – see flier page 11.

Coordinators Corner

The progress continues in our wonderful Rail Duster class! Keep up the terrific dancing. Now that **Valley Trailers has started their new beginners class** a lot of you have decided to take advantage of the opportunity to dance twice a week. This is really a terrific idea because the more floor time and repetition of the steps, the better you will learn to square dance. Our caller Arlen Miller, has now moved on to teaching the **Plus Calls**. These calls are more challenging to learn because they are comprised of several basic calls. It's a great idea to review these calls on the various computer sites.

We had a terrific turnout on March 11th at the Class Level dance. It was a great chance to see how a Saturday night dance actually feels. It takes time and practice to become a truly confident dancer, so be patient with yourself.

We want to remind you of a few things coming up in our club. Many of us will be attending the **Fun Dance (class level) at Simi Senior Center** hosted by **Boots & Slippers on Sat. April 1st** - address is 3900 Avenida Simi - Dick Hodnefield is the caller and the cost is \$7. This will be an excellent chance to get real square dancing experience.

The Trail Dusters Annual Spring weekend will be held Friday **May 19 through Sunday May 21, 2017** at the DoubleTree Hotel. This year's theme is **"The Great California Adventure"** and we always have a really great time !!! There's a flyer on page 11 with all of the details - **we hope you join us.**

We know the class is now meeting regularly to plan/rehearse your presentation for your graduation. We hope you just have a lot of fun getting together, and becoming more acquainted with each other. We will have Marlene Lovett visiting again soon to continue helping you get your class outfits together.

**No class will be held on

Kitchen Korner

Dear Members of the Nobody Goes Home Hungry Club,

DID YOU KNOW: Four things you DIDN'T know about DOUGHNUTS

1. Over 10 BILLION doughnuts are made in the U.S. each year.
2. Randy's Donuts located on Century Blvd just off the San Diego Freeway has appeared in many movies including Crocodile Dundee and Iron Man 2.
3. Larry Weintraub, the owner of Randy's Donuts for 38 years, is an active SQUARE DANCER. Unfortunately he's not a member of Trail Dusters because he bowls on Wednesday night.
4. Boston has the most doughnut shops per person in the U.S. One doughnut shop for every 2,430 people. That's still too long a line for me.

A very big THANK YOU to **Mindy and Al Brown** for helping us in the

kitchen this month. They were exceptional helpers who were there early, were a big help setting up the tables with the food and were always ready to help clean up after the dance. Their help was greatly appreciated!

We're coming to the end of the 2016-2017 square dancing season which means we are almost finished being the kitchen chairs.

But I still have some more "DID YOU KNOW" facts about Dessert. So, not to worry.

Thanks,
