Bye Bye BLUES.....HELLO RED is coming to Pt Loma on October 11th....Yes that's right our Fashion Show is almost here.

At our last luncheon meeting in August, we shared info about our upcoming October 11th fashion show at the Bali Hai. Several of you signed up to volunteer for this event and several of you signed up to donate items for the Opportunity Baskets and Buy It Now cards...thank you!

Here's a summary of things to know about the Fashion Show and How YOU Can Help!

OPPORTUNITY BASKETS.

We have decided to limit the number of baskets this year to 20 and Sally came up with some really creative titles e.g. Pot of Gold, I Love the USA, Splish Splash I Was Taking a Bath look at the attached lists - there are still several items needed for the baskets. If you are able to donate any of the items on these lists or have something you feel can be added to the basket please bring it to the September meeting or if you prefer you can contact me or our two members who have volunteered to head up this task for drop off locations.

Contact info is:

Diane Randolph diane.randolph@att.net 619- 432-1040

Charlyn Ridout charlynsuprb@cox.net 858-373-7603

Sharon Wing srwing@att.net 858-837-0483

BUY IT NOW. This is a "menu board" in which we display assortment of restaurant and other types of gift cards that are donated. Many of us have connections with restaurant owners/management and we encourage you to ask them for a donation in addition we might have some gift cards on hand that we wouldn't mind donating to the event. Attendees have the chance to "buy it now" at a discounted rate e.g a \$25 card would sell for \$20 and a \$50 would go for \$40, a savings of \$5 to \$10. In the past this has been highly successful and profitable for the club. Terri Fleming has graciously volunteered to manage this. You can contact her at terri.fleming@yahoo.com 619-602-5008

And last but certainly not least we will have a table set up at the September meeting to handle all reservations. If you are not attending the meeting you can pay by check made out to RWCNC and mail it to: 2295 Needham Rd #4 El Cajon, CA 92020.

Or you can pay via credit card and here is the link: <https://link.waveapps.com/q82bwf-rz2ebm>

Look forward to seeing you at the meeting and Bye Bye Blues....HELLO RED!

NON-PROFIT: SAVED IN AMERICA

Saved in America is a non-profit organization of volunteers who are former Law Enforcement Officers, Special Operators, and Navy SEALs. Since December 2014 Saved in America has assisted in locating more than 250 children nationwide.

An estimated **40 million people worldwide** and 50,000 people in the United States are victims of human trafficking.

Most human trafficking cases have been reported in **California, Texas and Florida**. Also Las Vegas. There are more than 365,000 missing children in our country each year. 30% of those missing are being trafficked.

An average of 3,000-8,000 children are trafficked each year here in San Diego County.

60% of trafficked children are Foster Program youth!

The average age of a trafficked child is 15 years old, but girls **ages 13 and 14** are frequently victims of the sex trafficker.

A pimp can make an average of \$396,000 a year from 4 to 6 girls.

- **San Diego County is one of the highest sex trafficking areas of the country.** The FBI reports sex trafficking is now the biggest money maker for gangs, replacing drugs and guns.

The focus of Saved in America is preventing gangbanger/pimp/predator/slave traders from securing girls and boys to traffic here in the United States. www.savedinamerica.org

Portion of the Fashion Show proceeds will go toward Saved in America!

PRESIDENT'S MESSAGE—Waskah Whelan

Let's make sure the Dems have more moments like these!

Carl DeMaio has new locations for volunteering in Bonita, Tustin, Escondido and now.....[Mission Valley!](#)

Volunteers are needed to send out 500,000 letters to Voters! We are doing a great job! **Over 30,000 letters per week are being sent out by volunteers! Let's keep up the good work, ladies!**

Address: 3435 Camino del Rio South # 114 San Diego 92108 - parking in front and behind the bldg.
The Volunteer HQ is on the Hwy 8 Frontage Road between Hwy 805 and Hwy 15 - South side of Hwy 8.
I usually get off at Texas Street by Bully's and then follow the Frontage Road east to the HQ.

The Mission Valley Center will be open Monday thru Friday each week.
Tuesday, Wednesday, Thursday: 10 am to 5 pm.
Monday and Friday: 10 am to 3pm.

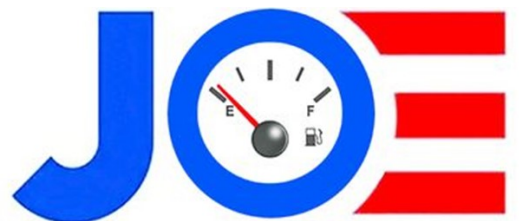

Volunteers can come in any time that fits their schedule. We will be folding letters, stuffing and addressing envelopes non-stop every day. Pass the word!

I will be organizing **Navajo Canyon Volunteer Days on at the HQ.** We need many people to help out with this important project. Bring friends, neighbors...anyone that wants to defeat the Democrats in November.

The most fundamental fact about the ideas of the political left is that they do not work. Therefore we should not be surprised to find the left concentrated in institutions where ideas do not have to work in order to survive.

Thomas Sowell

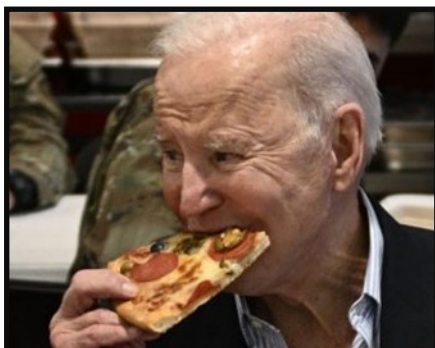

PRESIDENT'S MESSAGE—Waskah Whelan

...that's where the Republican Party is."

Because Carville thinks he's so good looking and so smart...it's just guaranteed people will value *his* opinion!

He says our voters are stupid and evil, but word got out, unfortunately...it's *his* candidates and the Democrats that are the stupid, evil, slow ones.

No wonder Carville & the Democrats hate Trump. One picture says it all.

CHAPLAIN—Ginny Wisley

*“There are different kinds of gifts,
but the same Spirit distributes them”
I Corinthians 12:4*

Welcome back! I have missed the “official” RWCNC newsletter. Thanks to Sally for this. But I digress, on to my article.

Have you ever just had the gut feeling to do something? A small sniggle feeling that really didn't make any sense at the time, but something that you just did because it was a reaction. Like the following conversation, (whilst out of the country):

Friend: what are you doing Sunday?

You: Church, then nothing.

F: when's church, will you let me know?

Y: think 11, but I'll need to check to make sure it's still the same.

F: yes, please do.

The Saturday before, you communicate it's 11 & they say what time to meet, you let them know & they come. That dominoed into them going into finding the blessing of a church service for the first time in years, followed by them being so excited they can't stop talking about the power & love of God, AND driving to a third friend to find out why there was a feud & being the better person & making up! All because of saying 11:00.

We all have gifts. God gives them because we are all special to Him. Your gift may be so simple that it's just knowing the start of a service or the smile on your face, or the hug at the end of your arms. God gives each of us that we can manage at that exact moment that He needs you to be the special person He made you. Let Him!

Blessings!
