

PROJECT PROFILE

PROJECT NAME & LOCATION:

Fairway Park Apartments
Wilmington, DE

PROPERTY MANAGEMENT:

The Westover Companies

PROJECT FOREMAN:

Mark Johnson

PROJECT DESCRIPTION:

Northern Waterproofing & Restoration Co., Inc. was called-in by Westover Companies, in order to restore and preserve their existing concrete balconies as well as, all concrete pedestrian bridges. Following jobsite mobilization, NWR removed all failed coating and/or deteriorated concrete throughout, and replaced all railings with new powder coated aluminum. Following the concrete repairs, NWR applied a new urethane-based waterproof coating, in order to preserve the newly restored concrete surfaces.
