Principal

Rodney Albritton
Assistant Principal

To Whom It May Concern:

It is with great pleasure that I recommend Mr. Jerrod Wheeler for consideration for an administrative position in your school system. I have known Jerrod for several years and I have had the opportunity to observe his teaching ability and to get to know him personally. As a teacher, I was impressed with his knowledge of subject matter and his natural teaching ability. He has established himself as a natural leader not only in our school but in the Ouachita Parish School System as well. I feel privileged to have been able to establish a professional relationship with Jerrod.

Jerrod is genuinely interested in people and is instantly likeable. His inner drive and keen competitiveness are clearly evidenced in his background as an educator as well as in his collegiate achievements. Jerrod possesses a very pleasant personality and a good sense of humor. He is quite mature in his attitudes and seems to have excellent interpersonal relationship skills.

His outstanding character and educational accomplishments make him a tremendous asset to any school system which he chooses and would certainly provide Jerrod with resilience that is essential for success in the educational profession. I am certain that Jerrod's honesty, intelligence, and reliability will make him successful in any job he pursues.

In summary, Jerrod is an outstanding individual of the highest moral and ethical standards, and I recommend him to you with the highest enthusiasm and without reservation. Please do not hesitate to contact me if I may be of any further assistance.

Sincerely,

Cheryl Lawrence
Gifted Math Teacher
