

AMARETTO DI SASCHIRA

28% ALC. BY VOL.

THE ALMOND FLAVOR IS GIVEN FROM THE ESSENTIAL OILS CONTAINED IN THE PITS OF CHERRIES, PEACHES AND APRICOTS.

Well-rounded in taste, a fragrant aroma and a hint of vanilla in the end are all characteristics that distinguish Luxardo Amaretto. Brilliantly suited to use in classic cocktails such as Amaretto Sour it can also be enjoyed neat or over ice as an after dinner drink.
