

The Old Peach Stand

Where it all began...Fort Mill tradition!

Since 1938, Springs Farm has been dedicated to providing you with the most delicious fresh peaches and produce. But it didn't all start at our large retail store, The New Peach Stand, it started here at The Old Peach

Stand. For generations customers have come out and supported us as a local producer and each year as part of Fort Mill's tradition, we open up The Old Peach Stand for business.

The Old Peach Stand's season runs from June – October and has the same feeling as that old timey roadside stand people remember it as. We sell fresh peaches, nectarines, blackberries, corn, tomatoes, zucchini, squash, okra, cantaloupes, watermelons, pumpkins, broccoli, and more! All of the produce sold in The Old Peach Stand comes fresh off the fields of Springs Farm.

Come in and enjoy what The Old Peach Stand has to offer!

Old Peach Stand Hours: Everyday (June-October) 8 AM-7 PM
