- Sept. 21 – Mass
- Sept. 22 – Walk For Virtues
- Sept. 23 – No School Teacher In-service
- Sept. 24 – Color Run

Notes from the Principal:

We have seen some adorable outfits so far this year. Please remember that our dress code is **solid color shirts, shorts, and dresses**. Thank you for your attention to this detail.

There have been confirmed cases of lice in the Tomahawk community but **NOT** at St. Mary's. Because all area children share buses and after school activities, please get back into the practice of checking your children daily.

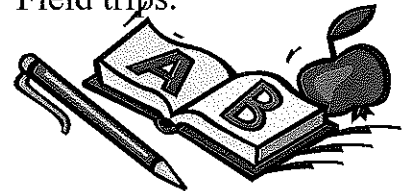

Walk for Virtues

Thursday, Sept. 22, is the big day. How has everyone been doing collecting donations? The prizes arrived at school and we are eager to hand them out!

Safe Environment Training

Our last scheduled Safe Environment Training is on Tuesday, Sept. 20, at 6:00 pm in the school. This training is required in order to volunteer in the building and go on Field trips.

Happy Birthday to:

- Sept. 13 – Ally Watson
- Sept. 17 – Mrs. Pankow
