

Can't Stop The Feeling - Cappies 2023

Intro. 8 bars + 8 bars

- 17 We've got this feeling inside our bones
It's all electric baby when the show is on
All through the city, all through the school
We're flying up to the ceiling and the arts all rule.
- 25 We've got the audience in our pocket
Got the muses at our feet
We feel the hot blood in our bodies feel the heat! ooh
We keep our eyes on the skies, moving so phenomenally
Show's on lock, it's gonna rock so don't stop
- 33 Under the lights it's everything goes
Nowhere to hide, when we're kept on our toes
In that moment, well, you already know!
So just so magic, so dramatic, so fantastic!
- 41 Nothing we can see but when the show be-gins
Feeling good, good , curtain's up on you
So just feel the moment
All those things you just had to do
But now taste the moment
And ain't nobody leaving, so taste your moment
