Address, City, State, Zip: _____

Best Phone: _____ Text? Yes / No

Best Email: _____

Assistant Coach

Name: _____

Address, City, State, Zip: _____

Best Phone: _____ Text? Yes / No

Best Email: _____

Weather Text Alert

The Board will text head coaches and assistant coaches (as listed on your team roster) with information regarding cancellations or postponement of softball games or field closures. It is their responsibility to pass along this information to the players and their families. *The league will not be sending texts out to every parent on weather information regarding the cancelling or postponement of softball games. We will utilize our Facebook page for weather related announcements.*

Head coaches and assistant coaches will receive a TEST message before the season begins. They will need to "opt in" to receive the text messages.

Team Representative: Field Prep

In order to maintain our fields properly, we will be providing a field prep tutorial to one member from each team at Clean-Up Day. We will review proper raking techniques, etc, that can be then shared with the rest of the team parents.
