From The Pastor's Pen

I cannot believe that it is 'time' to set our clocks ahead again! It seems like 'yesterday' that we set them BACK. It WAS almost yesterday – November 7, 2021!

Thinking of time, do you make time to talk (and listen) to the Lord each morning? He speaks to us through scripture, worship, prayer, and other ways!

This pattern in the Bible is clear:

- Jesus' example: "Rising very early in the morning, while it was still dark, he departed and went out to a desolate place, and there he prayed" (Mark 1:35).
- Moses prayed: "Satisfy us in the morning with your steadfast love, that we may rejoice and be glad all our days" (Psalm 90:14).
- Job "would rise early in the morning" to pray for his family (Job 1:5).
- Even when Saul was hunting him, David prayed, "I will sing aloud of your steadfast love in the morning" (Psalm 59:16).

President Reagan once asked an Air Force One pilot why he always tried to land as close to the beginning of the runway as possible. The pilot's explanation: "Mr. President, all pilots know you can't use the runway that's behind you."

When you set your clocks' forward' this year (March 13), begin meeting with the Lord each morning as you plan your day!
