I will notify winner and family that sold the ticket with in 24 hours of drawing. We will try and have a swimmer/coach or other member of team pull winning ticket for the day. I will take a photo of the winning ticket and return ticket to USAM Hat for future drawings. I will email winner and ask if they would like to receive payment NOW vs at the end of the month, in case they are multiple winners/tickets drawn.

Good Luck and thank you for your continued support of USAM.
