

**Brevard Electrical
Apprenticeship
Training Program**

STUDENT REQUIREMENTS

- 1) Age 17 with a high school diploma or GED, or 18+ with/without a high school diploma or GED. *(A copy of diploma or GED is required for students 17 years of age, but is not required for 18+ years of age to join the program.)*
- 2) Be physically able to work in the electrical field and perform duties required of the trade contractors.
- 3) Bring a Drivers' License or State ID card.
- 4) If student has health insurance, then a copy of the insurance card is necessary. Please bring card when applying. *(Insurance is not necessary to have in order to join the program, but insurance information is needed for all students that do have insurance.)*
- 5) If student is not a US citizen, then a Resident Card is required. Please bring when filling out the application.
- 6) Student will need to be employed or eventually employed by one of the programs' Participating Contractors.
- 7) Student will need to turn in On-the-Job Training (*OJT's*) forms at the beginning of every month to obtain credit for the previous month's work hours. All students must turn in OJT's whether they are employed or not in order to have a monthly record in their file.
- 8) Students must pass every semester with a "C" or better in order to advance into the next term. A grade of less than a "C" will require the student to retake the term before advancing forward.
- 9) At the end of four (*4*) years students will need to pass all courses and obtain a total of 8,000 OJT hours in order to receive a certificate from the State of Florida and a certificate from the Brevard Electrical Apprenticeship Training Program.
