PSA 'Teach A Kid' Event July 10, 2021

With 6 boats inviting 13 kids for a big lake fishing trip, the Pentwater Sportfishing Association 'Teach A Kid' Event was another great day providing our area youth a chance to experience Lake Michigan fishing.

The Lake was smooth to allow all the boats to get out, but the catch was limited, with 17 fish boated by the kids. And the Grand Prize, Biggest Fish, was a 20.8# King Salmon, landed by Hayden with Capt. Ken Wegner on the 'Carpe Diem III' boat.

Grand Prize – Hayden – 20.8# King Salmon

Only fitting to have the biggest fish landed with Capt. Ken Wegner, as his father started the PSA Kid Fishing program in 1990 with Ken and Joni Wegner carried on this tradition. PSA is proud to keep this program a key annual event for our community.
