We are more than grateful that you have chosen The Red Lion Café to help you raise funds for your cause. We feel as though this is a mutually beneficial way for us to help you AND for you to help us. Here is how this will work:

1. We will provide you with 100 "tickets" for you to distribute to friends and family and any other individuals that you see fit.
 - a. The tickets serve two purposes:
 - i. They allow us to track the additional business that you bring to us
 - ii. They determine the level of donation that we will contribute to your cause – not to exceed 10% of the TOTAL FOOD SALES on that night. With this in mind, distribution of the cards is at your discretion, but we suggest only providing cards to the people that you know are committed to coming out on your night.
 - b. Customers DO NOT have to have a ticket for their purchases to be credited toward the TOTAL FOOD SALES. However, all cards must be distributed in advance and cannot be handed out at any entrance to the restaurant.
2. Tickets can be turned in on your scheduled day/night during normal business hours.
3. Tickets should be turned in to the cashier upon check out.
4. Tickets are valid for dine in OR take out.
5. Each ticket is worth 0.1%. Therefore if 25 tickets are turned in, we will donate 2.5% of the TOTAL FOOD SALES to your cause. 100 tickets = 10% and anywhere in between.

We'll count the number of tickets turned in the next morning and have your check mailed out the same day. Any questions, please do not hesitate to reach out to 570-345-4353 or redlioncafe@comcast.net.

Warm Regards,

Red Lion Café Management
