

Life and Times

A Child's Future ELC

"Children are not things to be moulded, but people to be unfolded."- Jess Lair

From the Owners:

Happy New Year! We are excited and busy planning lots of activities and events for this year. The weather has been quite chilly and doesn't look to be getting any warmer for the next week or two so we would like to remind you to bring in the appropriate attire for the children to go outside, get some fresh air and enjoy some gross motor games. Mr. Joey will be building shelves for each of the classrooms to hold rain or snow boots. Feel free to send in an extra pair to keep at school to help keep the dirt outside. Our center is a buzz with learning and stimulating developmental curriculum. Stretch-N-Grow, Music and Art class are in full swing and the children love all the fun and inviting activities, Ms. SueAnn, Ms. Julie, and Ms. Angela bring to the classroom. We wish our families a healthy, happy and prosperous New Year and look forward to sharing many new and thrilling milestones with you throughout the year.

THIS MONTH'S
TOP STORIES

What's Happening in Our Classrooms

The classrooms are really kicking their curriculum into high gear. The infant room is focusing on sign language, fine motor and recognition skills. The young toddler room is working on cooperative and center play, life skills and increasing their vocabulary. The older toddler room is encouraging dramatic play, educate and social skills as well as name, letter and number recognition. Preschool is centered on literacy skills, sorting, counting and STEM development.

Your children are growing and learning everyday, take time to observe all the miraculous new skills they are mastering.

Need Lunch Ideas?

As moms, we know how difficult it can be to pack lunch. We all want our kids to eat healthy and try new things, yet keep it simple and quick for our fast paced lives. We would like to share a few lunch ideas to add to your choices. Remember to like our facebook page and join our "A Child's Future Social Butterflies" Facebook Group this is a great way to share ideas with other parents, after all, it takes a village to raise our children into the strong and independent adults we aspire them to grow into.

Lunch 1: chopped chicken pieces, black beans, shredded cheese, blackberries and peas.

Lunch 2: Sushi Sandwich rolls, applesauce and chopped cucumber

Lunch 3: Hidden veggies grilled cheese, macaroni and blueberries
