

# *First Congregational Church*

*Please join us for outside services!*

We had a wonderful turnout this past Sunday!

Due to the Massachusetts state reopening regulations and current UCC guidelines, we will hold services outside our church near the handicap entrance and grass area next to the playground. In an effort to help everyone see and hear the service better, we now encourage you to bring your own lawn chairs, placing them at least 6 feet apart. Please also wear a face mask at all times.

As Congregationalists, we want to naturally congregate. Although this will be difficult for us, we must keep each other's health and safety our number one priority during this unprecedented time. Let's try to refrain from socializing even after the service has ended.

If you wish to remain in your vehicle, you may park along the road near the grass-line. Otherwise, please park your car in the lot and bring your chair to the designated area.

Services will be held rain or shine! We believe the Lord will be shining on us even if the sun may not be. Please join us for our Social Distance Prayers and Services Sunday, June 14th at 10:00 am.

We will continue our outdoor services until further notice. We will notify you when we feel it's safe to meet inside the church again.

*God  
Bless  
You*
