On June 10th - 12th 2022 Yakima Valley Vettes, a 501(C)3 non-profit organization, is hosting the 49th annual VETTE-A-BRATION Corvette Only Car Show at Sarg Hubbard Park along the Greenway in Yakima, Washington. This show is the only Corvette show held in Central Washington. It is open to the public to view these great cars on Saturday from 10am-3pm. We have been coordinating this show since 1973 and we are able to keep it going because of great sponsors like you! Please help support us and get some advertising for your business during the show.

- For a minimum of \$200 donation before June 3rd, we will hang a banner with your business name and proudly display it during the car show event.
- In addition, Early Bird sponsors donating a minimum of \$200 before May 1st will have their name or company name printed on the back of the Vette-A-Bratation t-shirt.
