2nd No School

6th Team Spirit Day

16th-18th Picture Days- More

Information to come!

A Note From Ms. Breese

The first month of school went so fast! We are learning and working hard. The class is getting our routine down and everyone gets along so well! We started working in our journals, on phonograms, counting, cutting, letters, and more. Please remember to check folders and talk to your child about what they have learned!

A Peek At What We Are Learning

Reading

Nursery Rhymes will be Mary Had A Little Lamb and Who Took The Cookie From The Cookie Jar? Phonograms D/F/G will be introduced. Alphabet letters Cc/Dd/Ee will be focused on.

Writing

Students will continue with name recognition and being learning proper pencil grip and Spalding formations.

Math

We are counting to 20, recognizing numbers 1, 2, and 3, and learning our shapes! We will sort by color, sizes, and amounts.

Science

We are observing the weather and objects in the sky. We will continue to discuss and practice proper hygiene.

Social Studies

The Pledge of Allegiance is a part of our daily routine. We also are identifying our personal jobs and roles in a classroom.

Thank you for class donations and for sharing your children with me! I can be reached for anything you need here:
