

2020 Annual Conference

Our Mission

To promote and develop adult and continuing education in Georgia among groups and individuals engaged in the field of adult/continuing education through communication, interaction and professional development that serves people of Georgia.

Conference Attendees

We expect approximately 60-70 attendees at the 2020 GAEA Annual Conference. They are employed through the University System of Georgia, the Technical College System of Georgia, as well as independent organizations and businesses that provide workforce training, continuing education, lifelong learning, and adult education throughout the state.
