

ROHS Band and Orchestra Meeting Minutes

09-11-18

Called to order at 7:01pm

Opening, Introductions

Secretary Report:

Motion to accept minutes, 2nd by Jay

Treasurer Report:

New treasurers getting up to speed. Money arrived at school over summer will be accounted for by next meeting.

Directors Report:

Albin Rose - Not much to report yet; band banquet reference about plaques being delayed, everybody has one now, and Jon got them hung. Letters are finally here. Has bumper crop of kids on concert orchestra this year; doesn't have enough cellos for all 20 cellists. May need to ask boosters for a cello and a cello rack; will ask district first.

KJ - Excited to be here, thought band camp was smoothest yet, thinks show is going well despite how tough it is.

Upcoming:

Uniform Distribution - Setup for uniforms 3:15. Jensen said we can have whole front ensemble to help run. Two former students of Mr. Rose are coming in to help with fittings.

Men's warehouse offered up a deal on shirts and stuff for the guys 50% off. Dennis said Masons will be picking it up? Lots of confusion. Apparently need to ask specifically for Dennis. The Masons may be willing to cover all, but want a headcount. Albin will follow up.

Drive4urschool - Dave will let kids send texts to encourage people. Need 300 families to get max donation. Dave will pass out forms at curriculum night. Maybe distribute flyers at the game Friday night? Need more volunteers for Saturday. Gilda's walk at the same time. Logo wear store open until 16th.

Tag Days - Debbie Natinsky: End of this month; huge effort. Biggest fundraiser of year. 12-14k historically. Friday 6-9, Saturday 9-9. A few start earlier (farmer's market, Bread, and Bruegers bagels all start at 7.) We need 178 students to avoid multiple shifts. Some kids may want to do doubles. Maybe for every 10 kids that do doubles, do raffle for Nation Coney, service hours credits, etc. (Lisa explained tag days to the new parents). Three-hour shifts. Sites: farmers market, post office, Hollywood (both) holiday market front and back, fresh app, 515 place, lilies seafood, Emagine, 3x 7-11s (1 at risk), goldfish tea, bread, national, Leos, the moray (has two

kids at Oak Ridge – excited, may do additional fundraiser – could be big, maybe Dave’s jazz kids), Crispelli’s on Woodward, Scouts at National Saturday morning. have to work around. 89 posts, need 89 adults. Sign-up will be posted soon, maybe tomorrow. Lots of confusion with new parents of tag days and sign-up genius. HQ at Warren’s (near downtown) or at Natinsky’s (12/WW).

Golf Outing - 4 golfers signed up so far; Rose Merten working on hole sponsors.

Rmmert9@gmail.com – Rose’s email address.

How to find boosters page on Facebook? Kirsten can’t find. *Warren not a fan of FB. Rose mentioned GroupMe. Somebody behind me mentioned Google Classroom. We have a FB already.*

New idea: Show shirts? KJ said hasn’t been since she was a Freshmen, but loved it. Band roster/west side story? Can do front/back for \$7/shirt. Debbie said what about Marco’s paying with pizza logo?

New Business:

JB – John giving thought, needs replacement – asking for a volunteer to take over the mantel after this year. Started out first of November last year for planning. Maybe mid-late Oct this year.

Pancake Breakfast - not happening, still on calendar. Kirsten to make a call tomorrow to address.

Debbie: Sponsors for concert programs? Jon said would love to have them. She will look into it and get with Terri.

Movie Night - Still trying to coordinate how/when/where. May be too much effort.

Adjourned at 8:20pm.
