NOTES TO USER

Certain areas not in the Special Flood Hazard areas (zones A and V) may be protected by flood control structures.

This map is for flood insurance purposes only, and not necessarily show all areas subject to flooding in the community or all flood insurance hazards. It does not show special flood hazard areas. Refer to the FLOOD INSURANCE RATE MAP EFFECTIVE date shown on this map to determine when actual rates apply to structures in the zones where elevations or depths have been established. To determine if flood insurance is available in his community, contact your insurance agent, or call the National Flood Insurance Program, at (800) 638-6820.
