

For Ebony and her family, this holiday season is shaping up to be their best one yet! A single mom of four, Ebony is two years out of Save the Family's programs. Ebony came into Save the Family after experiencing a series of traumatic events and "losing everything" – her home, job, relationship, and worst of all, custody of her children. She turned her life around, and by the time she entered our program, Ebony was full-time mom to her sons and daughter again.

The family spent a year with us, during which Ebony landed a job in Human Resources for a major corporation in Phoenix. She has worked her way up, built a healthy savings account, and dreams of buying a home soon. **Ebony is grateful for the second chance Save the Family provided and doesn't take it for granted.** She thanks God every day for what she's been able to achieve. This year, Ebony paid it forward, sponsoring four of our families for the Thanksgiving holiday!

Ebony's generosity inspires us and, in the midst of these difficult times, we realize more each day how important family is during the holidays and throughout the year. Join Ebony and others in our community by making a donation to Save the Family. Your support will provide hope and stability for more than 630 families this year.
