Roll Flagging

Solid Flagging

Day/Night "Reflective" Flagging

Patterned Flagging

Printed and Custom Flagging

Colorful and highly visible, Presco Roll Flagging is the most durable, longest-lasting outdoor flagging available in the market thanks to Presco's proprietary formulations. Presco's Roll Flagging is produced from PVC film extruded in their Sherman, Texas manufacturing facility. Since Presco controls the total manufacturing process of their Roll Flagging, they are able to custom formulate the PVC film with added plasticizer packages which yield maximum physical properties including tensile strength, cold crack and UV stability. Making Presco flagging the most asked for flagging in the professional industry.
