About six years ago I started helping with the Youth program at Selma First Christian Church. I've worked with two different Youth Ministers during that time and enjoyed every minute of it. I am now the Minister of Youth and Young Adults.

I have a passion for Youth and Young Adults. It's a time of life where you really find out who you are and what direction you want to pursue in life. I enjoy helping individuals discover their strengths and work on their weaknesses.

It has truly been a pleasure to have witnessed a group of about 10 youth who started out as geeky 6<sup>th</sup> and 7<sup>th</sup> graders grow and blossom into young adults who have graduated from high school. Some are off to college, some are in local colleges, and some took time off to figure out what is next for them.

I work full-time in Fresno, CA for Modern Welding Company. I live in Kingsburg with my husband and 3 cats. I enjoy running, fishing, and spending time with my loved ones.
