Dear Patients,

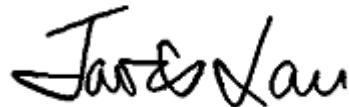

Due to problems in the past with the lack of payment by insurance companies for certain services, I am enforcing a policy ensuring payment for treatment at time of service. Payment for service is required upon day of service unless covered by insurance. Co-payment is required upon day of service. If insurance denies coverage, patient is responsible for the payment of services rendered. For workman's compensation patients, I will need pre-approval before treatment. Since approval time for insurance companies varies, I will not provide services until the insurance company approves your treatment request.

I DO NOT accept Credit Cards at this time, sorry for the inconvenience.
