THE SHEMITAH PATTERN

Based on the laws of 7, many conclude that the coming cycle will be a 7-fold intensification of the judgment since 1966. In particular stronger, the intensification of the judgment since 1966. In particular stronger. This is why the Pentagon, the UN the U.S. government has been 'prepping' themselves for such a calamity. The Shemitah 7-year economic cycles have thus far been a collapse, war and economic resets that have advanced the Luciferian agenda New World Order thereafter. Most noticeably in the modern era it was the League of Nation in 1919 after World War 1 and the United Nations after World War 2. The coming last Luciferian World Order will come as a result of the planned World War 3 in the Middle East. Base on the evidence, facts and repeatable Shemitah cycles, there will be a word will probably ensue that most likely will involve a nuclear exchange of sorts that will set the stage for the New World Order. After this collapse, the New World Order will succeed at establishing a new digitized monetary unit and a 'grid' that all must be part of in order to buy and/or sell. This final Luciferian Order will be Lucifer's attempt at uniting Humanity. This will mirror how Nimrod attempted the same around the Tower of Babel. America has built this tower, the Freedom Tower that is 1776 feet tall. Cracking the Stemitah code for America suggests that an end of 'time' is converging on the Sabbatical Year of 5776. The next year will have YHWH's signature 777, the year of divine totality and completion, the triple 7 in the Jewish Year of 5777. The 7th Shemitah marks -off the Jubilee from June 7, 1967 (a Jubilee year). At that time Jerusalem was restored to Israel and began to be boilt up in troublous times as Daniel prophetic? If doe is keen to the chatter amongst the well verses and seasoned Economists of the world, they are predicting the ominous inevitably of a crash in September 2015 for one. What most are really alarmed at is not so much the Stock Markets of the world particularly that of New York and London but the Bond Market that will exasperate the collapse far worse than the Crash of 2008.

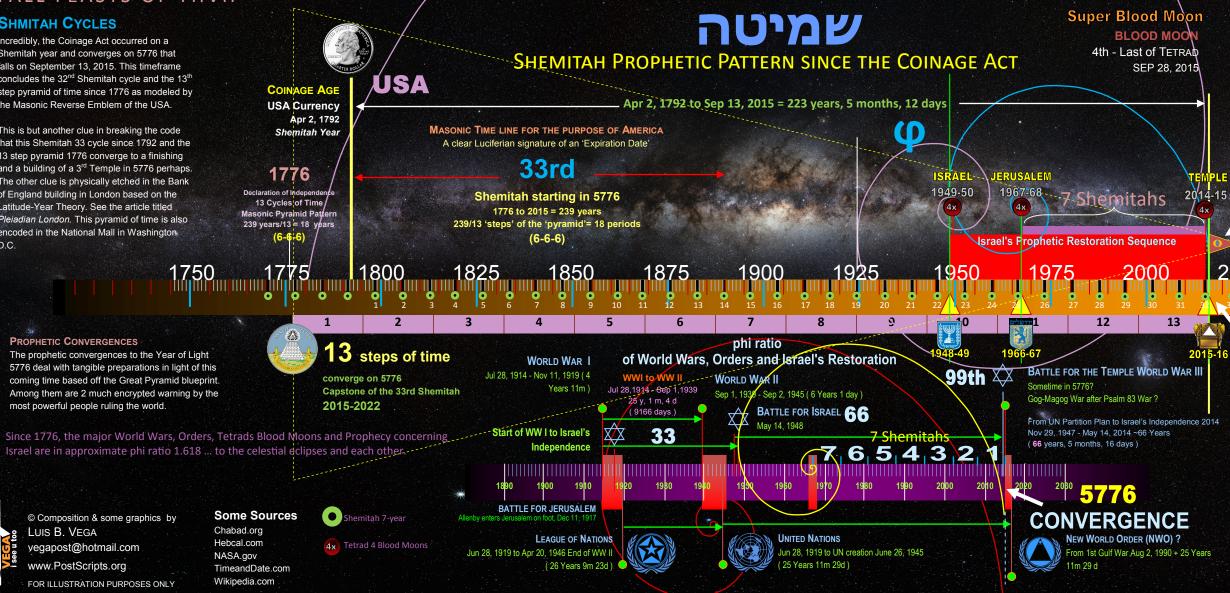

FALL FEASTS OF YHVH

SHMITAH CYCLES

Incredibly, the Coinage Act occurred on a Shemitah year and converges on 5776 that falls on September 13, 2015. This timeframe concludes the 32nd Shemitah cycle and the 13th step pyramid of time since 1776 as modeled by the Masonic Reverse Emblem of the USA.

This is but another clue in breaking the code that this Shemitah 33 cycle since 1792 and the 13 step pyramid 1776 converge to a finishing and a building of a 3rd Temple in 5776 perhaps The other clue is physically etched in the Bank of England building in London based on the Latitude-Year Theory. See the article titled Pleiadian London. This pyramid of time is also encoded in the National Mall in Washington D.C.

APPROXIMATE PHI RATIO OF PROPHETIC TIME

The Olivet Discourse is the key to unlocking the sequential order of Israel's restoration before Messiah Jesus Christ can return. It is based on the liberation of the Temple Mount during the 6 Day War in 1967, a Shemitah year. This sets the 49 Jubilee countdown to 5776, the Year of Light, advent of the AntiChrist and 3rd Temple perhaps.

YEAR OF JUBILEE CONVERGENCE

A factor of 70x7x7 which equals 3430 Years. This Time starts from when the Israelites crossing the Jordan River and entered the Promised Land circa 1416 B.C. Using this formula, it brings us to 2015.

(3430 Years) - (1416 BC) = 2014 + 1 Year or 2015 (no year zero) or 5776

After Israel celebrates the Sabbatical Year in 5776 (2015) -Lev 25, the next year will have YHWH's signature 777, the year of divine totality and completion, the triple 7 in the Jewish Year of 5777. Coincidentally, it will be the 7th Jubilee marked-off from June 7, 1967 (a Jubilee year). At that time, Jerusalem was restored to Israel and began to be built up in troublous times as Daniel prophesied it would. Will the end of this time period and Jubilee count signal an 'end' to something very prophetic?

49 prophetic years (1 Jubilee period) x 360 days = 17,640 days. From (June 7, 1967) + (17,640 Days) = Sept 23, 2015 YOM KIPPUR
