

AGRICULTURAL VETERINARY ASSOCIATES, LLC

“Creating a Healthier Future, Together”

Agricultural Veterinary Associates, LLC, located at 137 East 28th Division Highway, Lititz, is a farm animal veterinary practice with their major focus on dairy cattle, beef cattle, swine and small ruminants. They provide on-farm ambulatory services in Lancaster, Lebanon, Dauphin and Berks counties, along with consulting services beyond their primary area. Their goal is to provide quality veterinary services to the clients they serve in the areas of traditional medicine and surgery. They are dedicated to working with other industry partners to help mutual clients meet their goals and to provide the best answers to their clients.

Agricultural Veterinary Associates, LLC is nine veterinarians strong with over 175 years of combined experience. The practice has memberships to AABP and AVMA. The veterinarians are a full service team that also focuses on milking system evaluations, embryo transfers, facilities and financial consulting. With a great team of staff, Agricultural Veterinary Associates is committed to improving the health and welfare of your animals, the health and productivity of your herd, and the health and success of your business. Agricultural Veterinary Associates would like to thank the agricultural community for providing the demand and allowing them to serve you.

Office hours are Monday through Friday, 7:00 a.m. to 5:00 p.m. with 24 hour emergency service available to existing customers. They can be reached at 717-625-4212. For more information and services available, you may also view their website at www.agvets.com.
