Dear Newcomers Members,

Welcome back to my place. I was on the back porch with my coffee and had planned to meditate, but a cardinal flew onto the feeder and started singing. My cat, Magic, ran to the screen, started meowing in some strange way and the bird and cat had a conversation. Then along came two squirrels, screeching, and running fast. They were chased by two doves nipping at their tails. So funny! Back and forth, back and forth. Have any of you had a similar experience? The wonders of nature.

The luncheon at Café Murano was great. Everyone worked hard preparing and setting up so we could all enjoy our patriotic salute to our veterans and country. The sharing of some of our members saluting their loved ones was very touching. Linda Gallagher coordinated a patriotic costume contest that was very unique, not to mention preparing and distributing the table decor and other decorations. Transporting all those items and the microphone is a major accomplishment. Thank you Linda. You get the 1st Newcomers Girl Scout Award. What is that? You'll see.....

Our dear City of Orlando is hurting. The recent tragedies have affected all of us. We need to make every effort to stay safe and take care of our families and friends. Kindness and love will help us to become stronger. Pray for the families of the victims. Help where you can. Our community needs us – we need them. I am humbled by the overwhelming support nationally and worldwide! Orlando Strong!

Newcomers of Central Florida, Inc. has a membership of two hundred and twenty women. We contribute so much to the welfare of central Florida in so many ways. Be proud to be a member. You all make me a better person and I love you.

Larkspurs are the birth month flower for July. A true blue flower that symbolizes lightness and swiftness. As soon as the snow melts, these pretty Larkspurs make their appearance; however, they do not flourish until July.

(Karen A. Jacobs for Barbara Kalicki, Outreach Chairman)

Hi Ladies! We continue making a difference here in Central Florida (and around the world) via your strong support of our various charities! We recently delivered substantial end-of-year donations to Russell Home for Atypical Children, Building Homes for Heroes, Libby's Legacy, and Woodbury Pantry,

Now, as we look forward to a new year of giving back, we ask that you continue to donate money generously to our troops. Please remember that you can always write a check to Newcomers of Central Florida in case you are short of cash.

At the July luncheon, we will have the opportunity to support Woodbury Pantry by donating disposable diapers (sizes 3 and 4), and jars of peanut butter and jelly. A great place to shop for food items is the Dollar Tree in the Oviedo Mall (or elsewhere), where jars are available for only \$1 each. Many have lost food stamp support and are desperately in need of basic items as children are not being fed by schools during the summer. Please support them generously! As always, continue to donate aluminum can tabs for Ronald McDonald House as well as personal hygiene items for Safe House.

Russell Home is challenged with continuing to provide loving services because of a licensing issue. If you would like to support them in a petition to Governor Scott and legislators, please Google "Petition for Russell Home" and sign the petition on the internet. If you have questions, please feel free to call me.

Keep on keeping on as we celebrate our club's twenty fifth year!!

Betty Turner, Administrator from The Russell Home for Atypical Children, accepts a donation check from our club that was presented by Outreach Chair Karen Jacobs and Game Day Co-Chairs Brenda Jones and Joan Bove. Betty is the granddaughter of Russell Home founder Vantrese Russell.

How the Month of July Got Its Name

July is named for a mortal. Julius Caesar was a Roman general, statesman, who changed the structure of the Roman government into a dictatorship, was assassinated in legendary fashion, and most importantly for our purposes, helped make the calendar what it is today.

July was named in honor of Julius Caesar. When Julius Caesar died, Quintilis, which was his birth month, was renamed with July. Quintilis means "fifth month" in Latin, which represents where this month originally fell in the Roman calendar.

NOTE: All Chatter information for publication should be sent to alicarrbeulah@gmail.com by the Tuesday before the monthly luncheon. Thanks! Beulah
