

The John Terrell Award Process

- Any active MGA member may nominate another active MGA member by sending an email to the MGA secretary. The nomination should cite the following applicable criteria to justify the nomination:
 - Has been or was an active member for five (5) years
 - Has/had a good knowledge and understanding of the MGA
 - Has/had served and been an active participant on one or more committees
 - Has/had helped to make the MGA a good and active association
 - Has/had gone “above and beyond” normal service
 - Is/was a credit to the game of golf, to the MGA and to The Golf Club at Cypress Head
- Upon receipt of a nomination, the MGA secretary will forward the nomination via email to all members of the executive committee.
 - Within 7 days, executive committee members will reply to the secretary with their approval or non-approval. Failure to reply will constitute a non-approval.
- After seven days, the secretary will tally the results and notify the executive committee of the results of the vote. A simple majority will be required for approval.
- The MGA member may be nominated and approved at any time; however, awards will only be presented once each year at the November membership meeting. There is no limit on how many members can receive the award in a given year, however no member is eligible for the award more than once.
- Recipients will receive a plaque for The John Terrell Award in addition to having their name placed on the wall plaque at The Golf Club at Cypress Head.
