Hand Washing Awareness Week

One of the Simplest and most effective ways to prevent disease is proper hand washing. National Hand Washing Awareness Week runs from December 4-10 to remind everyone of the importance of hand washing, and to encourage proper hand washing procedures.

The 4 Principles of Handwashing Awareness

1. Wash your hands when they are dirty and BEFORE eating
2. DO NOT cough into your hands
3. DO NOT sneeze into your hands
4. Above all, DO NOT put your fingers into your eyes, nose or mouth

The following website has some fun activities for your child.
