This update is issued by BT Funds Management Limited ABN 63 002 916 458 AFSL No. 233724, the trustee and issuer of Asgard eWRAP Super/Pension, and should be read together with the PDS and AIB (as updated).

Changes to references to Dealer Group

All references to 'Dealer Group' in the PDS and AIB are replaced with 'Licensee'.

Changes to 'Additional explanation of fees and other costs' section of the PDS

Within the heading 'Adviser remuneration/fees' the following information is deleted:

You may agree to one or more of these options. The amounts you specify will be GST inclusive, but will not take into account any RITCs that may be claimed. Where applicable, the actual amounts that will be deducted from your Cash Account will be adjusted for RITC that is claimed in respect of these fees, and may therefore be less than the amounts you specify on the relevant form.

and is replaced with:

You may negotiate with your adviser to pay one or more of the fees to your adviser or your adviser's licensee. You must specify these fees on the relevant form. The amounts you specify will be exclusive of GST. Where applicable, the actual amounts that will be deducted from your Transaction Account will include GST and may be adjusted for RITCs that may be claimed in respect of these fees.

Within the heading 'Adviser remuneration/fees' the following paragraph is inserted at the end of the section.

You authorise us to deduct the ongoing adviser fee from your Transaction Account on a monthly basis in arrears, and continue to pay these fees until you direct us to cease paying it or your consent to the deduction of the fee is withdrawn or expires.

You will be required to provide periodic consent (generally annually) for the deduction and payment of the fee to continue. If we do not receive the required consent, we will cease paying the fee to your adviser (or your adviser's licensee, as applicable).

Within the sub-heading 'Adviser fee – Contributions' replace the second paragraph with the following:

Any Adviser fee – Contributions agreed will apply to future deposits, excluding (a) regular deposit plans, (b) where relevant, transfers when opening a new superannuation or pension account, (c) any contributions/deposit to which an initial deposit or rollover fee has been applied, and (d) any other one-off deposits made in accordance with your instructions given on any other consent form specified for that purpose.

Changes to superannuation law

Superannuation contributions work test age increase

From 1 July 2020, if you are under age 67, you can make voluntary personal contributions without needing to meet the work test.

The work test means you need to have been gainfully employed or self-employed (for gain or reward) for at least 40 hours in a period of not more than 30 consecutive days in the financial year (ending 30 June) before you make the contribution.¹

If you are between 67 and 74, you need to meet the work test or work test exemption to make personal contributions to super. The work test exemption applies if you met the work test in the previous financial year and your total super balance was less than \$300,000 on the previous 30 June.

Bring forward non-concessional contribution cap

From 1 July 2020, if you are aged between 65 and 66 you may be eligible to make personal contributions up to \$300,000 to your super account. The bring forward rule allows eligible members to bring forward up to an additional two years of personal (post tax) contributions without exceeding the contribution cap. For information on the current contribution caps refer to ato.gov.au.

Spouse contributions

From 1 July 2020, the eligibility age to receive spouse contributions has been increased from age 70 to 75. This means that you may be eligible to receive spouse contributions if you are under age 75. If you are between the ages of 67 and 74 you may be eligible to receive spouse contributions subject to meeting the work test or work test exemption.

For more information on concessional contributions refer to ato.gov.au.

¹ Prospective employment cannot be taken into account in relation to this work test – you must have worked at least 40 hours in the financial year before we can accept your contribution.

Updating information

Asgard eWRAP Super/Pension

7 April 2020

Updating the information in the Asgard eWRAP Super/Pension Product Disclosure Statement and Additional Information Booklet

This update, dated 7 April 2020, relates to the Asgard eWRAP Super/Pension Product Disclosure Statement (as updated or supplemented) (PDS) and Additional Information Booklet (AIB). This update is issued by BT Funds Management Limited ABN 63 002 916 458 AFSL No. 233724, the trustee and issuer of Asgard eWRAP Super/Pension, and should be read together with the PDS and AIB (as updated).

Introduction of a temporary fee waiver

Within the 'Fees and other costs table' in the 'Fees and other costs' section, in the row titled 'Administration fee', the wording under 'How and when paid?' is replaced with the following:

Deducted from your Transaction Account monthly in arrears at the beginning of each month and paid to us.

Calculated based on your account balance at the end of the previous month.

You will pay full fees in the month you open your account.

From 7 April 2020 and until further notice, your Transaction Account balance will be temporarily excluded from the calculation of the administration fee payable on Asgard Open eWRAP accounts. This means that the administration fee ordinarily payable on Transaction Account balances in these products will be temporarily waived until further notice.

Eligibility criteria for April 2020 only

The fee waiver for April 2020 will be applied at the end of April 2020 provided that your account remains open at the end of the month, at the time when we calculate your administration fee. If you close your account before the end of April 2020, you will not be eligible for the fee waiver.

Changes to references to your Cash Account

All references to 'Cash Account' in the PDS and AIB are replaced with 'Transaction Account'.

Within section 3 of the PDS, the heading 'Your Cash Account' and the first two paragraphs are deleted and replaced with the following:

Your Transaction Account

When you open an Asgard eWRAP Super/Pension account, a Transaction Account is automatically established for you and acts as the main transaction account inside your Asgard eWRAP Super/Pension account. The Transaction Account is used to settle your managed fund, term deposit and listed security transactions. Interest accrues daily on your balance held in the Transaction Account, and is credited to your account quarterly in arrears so your money is working for you even between investments. Interest on the Transaction Account is calculated at a variable rate determined by the Administrator. The Transaction Account is transactional in nature and is not intended to be used as an investment option.

Fees and other costs

Within the 'Fees and other costs table' in the 'Fees and other costs' section, the row titled 'Indirect cost ratio' is replaced with the following:

Indirect cost ratio⁴	Transaction Account fee (for the Transaction Account only) This is the amount the Administrator ⁵ earns for managing the amount held in your Transaction Account. It is equal to the amount we earn in relation to the funds held in your Transaction Account, less the interest ⁶ amount that we credit to your Transaction Account. The estimated Transaction Account fee based on the average fee for the financial year ended 30 June 2019 is 1.20%. At the time of this updating item, the Transaction Account fee is 0.70%. For the latest Transaction Account fee, go to Investor Online or contact our Customer Relations team on 1800 998 185.	The Transaction Account fee is not deducted from your Transaction Account. It accrues daily and is deducted on a monthly basis in arrears from the interest earned by the Administrator on the underlying bank accounts the Administrator maintains with Westpac.
--	--	--

⁴ Fees and costs are payable to the investment managers of the underlying investments. The amount you pay for specific underlying investments is shown in the List of Available Investment Options booklet and the disclosure documents for each underlying investment. For more information, see the 'Additional explanation of fees and other costs' section in this PDS.

⁵ The Transaction Account Administrator is BT Portfolio Services Limited ABN 73 095 055 208 (BTPS). BTPS is a related body corporate of Asgard and BTFM.

⁶ The declared interest rate may change from time to time but will be greater than 0%. The current interest rate is available online through Investor Online. Alternatively, you can contact your adviser or our Customer Relations team to confirm the current interest rate you will receive on the amount held in your Transaction Account.

Minimum pension income

The section under the heading 'Minimum pension income' in the AIB is updated by removing the following text:
"or increased in line with inflation (if so nominated)"

Changes to superannuation law

Cap on administration and investment fees of 3% for balances less than \$6,000

To reflect that a cap is applied to administration and investment fees, including indirect costs, where your account balance in Asgard eWRAP Super/Pension is less than \$6,000, the following information is added to the PDS.

Within the 'Fees and other costs section' of the PDS, add the following to the end of the section titled 'Fees and other costs':

Note: If your account balance in Asgard eWRAP Super/Pension is less than \$6,000 at the end of the financial year or at the time of exit, the total combined amount of administration fees, investment fees and indirect costs charged in the financial year is capped at 3% of your account balance. Any amount charged in excess of this cap will be refunded.

Introduction of minimum account balance following a withdrawal or rollover

To reflect that Asgard eWRAP Super/Pension has introduced a minimum balance of \$10,000 following a withdrawal or rollover, the following information is added to the PDS.

Add a new paragraph to the end of the section titled 'Withdrawals – accessing your super' in the PDS as follows:

The minimum balance that must remain in your account after a withdrawal or rollover is \$10,000. If you request a withdrawal or rollover that would result in your account balance falling below \$10,000, we may reject your request.

Introduction of the requirement for certain members to opt-in to insurance

To reflect changes to legislation regarding insurance through super, the following information is added to the AIB.

Add a new paragraph to the end of the section titled 'Insurance fees' in the AIB as follows:

Changes to the government's rules regarding insurance through super means that from 1 July 2019, we can't provide insurance cover through your Asgard eWRAP Super account where no contributions or rollovers have been received for 16 continuous months. In these circumstances if you want to keep the insurance cover you have on your account, you must 'opt in' by electing to retain your insurance. If you don't 'opt in', we'll have to cancel the insurance cover on your account. If your insurance cover is cancelled and you then decide you want it back, you may be able to reapply for cover. To change or cancel your insurance, you can contact us on 1300 657 010.

Changes to unclaimed money

To reflect changes to legislation regarding unclaimed money in super, the following information is added to the AIB.

The first paragraph of the section titled 'Unclaimed money' in the AIB is deleted and replaced with the following:

In some circumstances, if an amount is payable to you or your dependant(s) and we are unable to ensure that you or your dependant(s) will receive it, we may be obliged to transfer the amount to the ATO. We may also be required to transfer your account balance to the ATO if you become a 'lost member' or an 'inactive low balance member'.

Ban on exit fees in super

To reflect changes to legislation banning exit fees in super, the following changes are made to the PDS and the AIB.

Within the 'Additional explanation of fees and costs' section of the AIB, in the 'Defined fees' table, the table is deleted and replaced with:

- the date a temporary resident permanently left Australia.

Applications to claim your benefit can be made using the ATO Departing Australia Superannuation Payment ('DASP') online application system. To access this system and full information regarding DASP procedures and current tax rates visit ato.gov.au.

You may also be able to access your benefit if you satisfied another condition of release under super law before 1 April 2009. For more information on conditions of release, please see the 'Withdrawals – Accessing your money' section of this AIB.

It is important to note that we do not allow temporary residents under age 55 to transfer money derived from a UK registered pension scheme to Asgard eWRAP Super/Pension. For more information on this restriction, refer to the 'Transfers from UK pension schemes' section of this AIB.

We are permitted under, and rely on, ASIC relief under Class Order CO 09/437 to not notify or provide an exit statement to a non-resident in circumstances where we pay unclaimed superannuation to the ATO under Division 3 of Part 3A of the Superannuation (Unclaimed Money and Lost Members) Act 1999.

Within the 'Other information' section of the AIB, add the new section directly after the 'Temporary residents' section as follows:

2. What you need to know about super

Super is a means of saving for retirement and is, in part, compulsory. It may be one of the biggest investments you make in your life. Most Australians have the right to choose the fund into which their employer pays their super contributions. The Australian Government has provided tax savings and other benefits, which generally make super one of the best long-term investment vehicles.

How super works

Contributing to super

There are several types of super contributions – for example, personal, spouse, and employer contributions, as well as Government contributions. Generally, if you're under 65, your super fund can accept all of these types of contributions. Once you turn 65, some restrictions apply.

Limits (known as 'caps') apply to the amount of most contributions that can be made to your super. If you exceed a cap, additional tax may be payable.

You cannot add to your Asgard Open eWRAP Pension account once your pension has commenced, although you can consolidate your benefits and start a new pension. Consolidation of your benefits may have social security implications. We encourage you talk to your financial adviser before making any request to consolidate your benefits into a new pension account.

Withdrawals – accessing your super

There are restrictions on when you can withdraw your super. Generally, you cannot access your super until you have:

- > turned 65
- > retired after reaching your preservation age (currently between 55 and 60, depending on your date of birth) or
- > ceased employment after turning 60.

In limited circumstances, you can access your super before you retire if you meet a condition of release under superannuation law. For example, you may be able to access your super after reaching your preservation age through a non-commutable (transition to retirement) pension, even while still working.

For more information on contributing to super and accessing your super, see the 'How super works' section in the AIB.

How super is taxed

To encourage super savings, the Government has provided some distinct tax advantages (savings):

- > you can invest 'before-tax' income through salary sacrifice
- > the income on your investment is concessional tax, with a maximum tax rate of 15%
- > your benefits are tax-free if received after you turn 60.

Prior to 1 July 2017, an individual was only eligible to claim a tax deduction for personal contributions made to super if they earned less than 10% of their income from salary or wages. From 1 July 2017, this restriction was removed, so now all individuals under age 75 (including people aged 65 to 74 years who meet the work test) are eligible to claim a deduction for personal super contributions made to an eligible super fund.

There are generally three main taxes that apply to super:

1. Tax on contributions

Some, but not all, contributions are taxed in the Asgard Open eWRAP Super account at 15%. If you're classified as a high income earner, you may need to pay an additional 15% tax (known as Division 293 tax) on some or all of your contributions. If this applies to you, the Australian Taxation Office will notify you after the end of the financial year.

2. Tax on income within the Fund

Investment income and capital gains are:

- > taxed at a maximum rate of 15% in the Asgard Open eWRAP Super account, but the actual rate may be lower
- > taxed at maximum rate of 15% in the Asgard Open eWRAP Pension account if you have a pre-retirement Pension, but the actual rate may be lower
- > currently tax free in the Asgard Open eWRAP Pension account if you do not have a pre-retirement pension.

3. Tax on your super benefits

- > If you're at least 60 years old, your lump sum benefits or income payments from Asgard Open eWRAP Super/Pension are tax free.
- > If you're aged under 60, see the following table.

Tax treatment on payments to you before your 60th birthday

	Income payments	Lump sum withdrawals
Tax-free component	Nil	Nil
Taxable component	Generally, if you are under your preservation age, payments are included in your assessable income and taxed at your marginal rate. If you've reached your preservation age, or you are any age and you have commenced your pension because of death or disability, payments are included in your assessable income, and taxed at your marginal rate, less a 15% tax offset.	If you are under your preservation age, the tax rate is 20% (plus the Medicare Levy). If you've reached your preservation age but are under 60, the benefit is tax free up to the low rate cap amount ¹ , then a rate of 15% (plus the Medicare Levy) applies.

¹ For current information on the low rate cap, visit www.ato.gov.au.

How tax amounts due are paid

Tax is deducted from an account when the fund is required to make Pay As You Go (PAYG) Tax Instalments or the annual tax return payment. There are also annual tax adjustments that apply to both super and pension accounts. Any tax owing is also deducted prior to the closure or transfer of an account.

Tax File Number (TFN)

It's not an offence if you choose not to provide your TFN when you invest in Asgard Open eWRAP Super/Pension. However, if you don't provide your TFN, you may pay more tax on your contributions than ordinarily applies and you may be limited in the types of contributions you can make into your Asgard Open eWRAP Super account.

 For more information on how super is taxed, see the 'How super is taxed' section in the AIB.

3. How Asgard Open eWRAP Super/Pension works

Your financial adviser

Your financial adviser is integral to your Asgard Open eWRAP Super/Pension account. You need to have a financial adviser to open and operate your Asgard Open eWRAP Super/Pension account.

Your financial adviser has online access to your account via AdviserNET. Through AdviserNET, your financial adviser can make amendments to your account – that is, update your personal or bank account details except your Nominated Bank Account (refer to the ‘Your Cash Account’ section later in this section) which only you can update, set up new features, transact on your account (such as submitting buy and sell instructions) and generate various types of reports to help make informed decisions about your super.

Whether your financial adviser can transact or make amendments to your account on AdviserNET without notifying you first depends on the level of authority you grant to your financial adviser.

Authority

You can decide what level of authority your financial adviser holds for operating your account. There are two levels of authority:

1. **Investor directed authority** – You must authorise each instruction (transaction or account amendment) in writing before your financial adviser submits it to us online.
2. **Authority to operate** – This allows your financial adviser to submit investment instructions to us online and amend your account details on your behalf, without prior authorisation from you. Unless we advise you otherwise, the authority to operate allows your financial adviser to submit all instructions on your behalf except for:
 - > changing the name of your account
 - > funding a payment request

- > transferring your account from Super to Pension
- > setting up or increasing the adviser fee(s) to be charged to your account and
- > any other matters outlined in this PDS and the AIB that may require your personal instruction.

Change of authority or adviser

If you change your financial adviser or cancel your financial adviser's authority to operate, you must tell us immediately. If you change your financial adviser and don't inform us, we'll continue to act on the authority to operate you granted to your previous financial adviser.

Removal of financial adviser from your account

Asgard Open eWRAP Super/Pension is designed to be used by you together with your financial adviser. For that reason, you will need to have a financial adviser to open your account and to optimise the account features and fee structures. If your relationship with your financial adviser ends, you will need to take certain steps. These include notifying us immediately and telling us if you will be appointing a new financial adviser. If you don't appoint another financial adviser, you will need to manage your account directly. In addition, the fees applying to your account may increase and you will be unable to access a number of account features and functionalities.

For more information on the consequences of not having a financial adviser, see ‘What will happen if you no longer have a financial adviser’ in the ‘General information’ section in this PDS.

Investment options

Through Asgard Open eWRAP Super/Pension, you have access to managed investments, term deposits and listed securities. By diversifying your investments and investing for an appropriate timeframe, you may reduce the risks associated with super.

With the help of your financial adviser, you can quickly and easily change and mix your investments at any time throughout your life or as investment markets change. Together, you're in control of where your money is invested and you can create the financial strategy that is best suited to your financial needs and goals.

Managed investments

You can choose from an extensive range of managed investments, including investments from the different asset classes of cash, fixed interest, shares or equity, and property as well as multi-sector (diversified) funds managed by some of Australia's leading investment managers.

The List of Available Investment Options booklet specifies the managed investments available through Asgard Open eWRAP Super/Pension. You can obtain this list from your financial adviser or by calling our Customer Relations team.

Listed securities

You have access to a broad range of securities listed on the ASX – generally those appearing in the ASX top 300 listed securities by market capitalisation, plus securities approved by us.

Please contact your financial adviser for information about the listed securities available through Asgard Open eWRAP Super/Pension.

Term deposits

Through Asgard Open eWRAP Super/Pension, we offer a range of term deposits with differing maturities/terms and interest payment options. You can learn more about the current terms and rates available from your financial adviser or by calling our Customer Relations team.

Term deposits are suitable for members who have an understanding of when they are likely to need to access funds in the future. They are not suitable for anyone who may suddenly need access to any funds in their term deposit as term deposits cannot be withdrawn before maturity.

For information on applicable term deposit terms, conditions and restrictions, refer to the relevant term deposit disclosure document, which you can obtain from your financial adviser or by calling our Customer Relations team.

Transferring investments

If you hold investments within a superannuation fund outside of Asgard Open eWRAP Super/Pension, you may be able to transfer these investments into your new Asgard Open eWRAP Super/Pension account or existing Asgard Open eWRAP Super account (provided those investments are approved by us) without needing to sell those investments first and then buy them back in your account. You'll not only save on transaction fees but will also be protected from market movements.

And, with the help of your financial adviser, you can seamlessly transfer all or some of the investments in your Asgard Open eWRAP Super account to a new Asgard Open eWRAP Pension account.

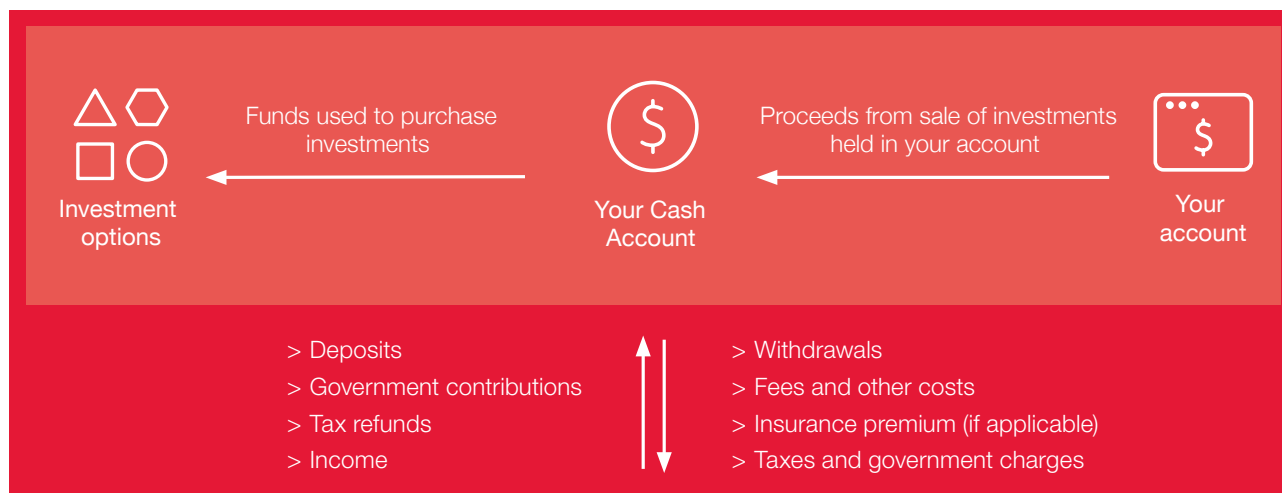

! For more information on investment options, see the 'Your investment options' section in the AIB.

Your Cash Account

When you open an Asgard Open eWRAP Super/Pension account, we also establish a Cash Account for you.

The Cash Account is the hub of your Asgard Open eWRAP Super/Pension account and it allows your financial adviser to easily buy and sell investments on your behalf. This connection between your Cash Account and your investment options makes it easy for you and your financial adviser to quickly respond to changes in the market or your investment needs.

The diagram below shows the flow of money in and out of your Cash Account.

You need to provide us with details of an account you hold with a financial institution. We refer to this account as your 'Nominated Bank Account'. Any direct credit payment via electronic funds transfer (EFT) you make from your Cash Account will be paid into your Nominated Bank Account.

You can amend your Nominated Bank Account by completing the 'Nominated Bank Account addition or amendment' form (available from your financial adviser or our Customer Relations team) and returning it to us.

You can deposit funds into your Cash Account by cheque, direct debit (either one-off or by establishing a regular deposit plan) and via BPAY.

If you have an Asgard Open eWRAP Pension account, your regular pension payment will be paid into a bank account selected by you. You also have the choice of nominating a monthly, quarterly or yearly payment frequency.

Please note that deposits into your Super account and benefit payments are subject to restrictions under superannuation laws.

! Refer to the 'How super works' section in the AIB for further information.

Maintaining a minimum balance in your Cash Account

You have to maintain a minimum balance in your Cash Account to pay for transactions such as insurance premiums (if applicable), pension payments, and fees and other costs. The minimum balance applying to the Cash Account is set out in 'Maintaining a minimum balance in your Cash Account' in the 'How your account works' section in the AIB. You can monitor your Cash Account balance by regularly checking the details of your account on Investor *Online*.

When your Cash Account balance is close to or less than the minimum, you may wish to deposit additional funds into your account. You can also instruct your financial adviser to sell specific managed investments or listed securities. The sale proceeds will be paid into your Cash Account. If you don't top up your Cash Account balance, we may sell managed investments.

! Refer to 'Your Cash Account' in the 'How your account works' section in the AIB for more information.

Optional features of your account

Consolidated reporting

Regardless of the number of investments you hold through your Asgard Open eWRAP Super/Pension account, we provide you with easy-to-read reporting that consolidates all the transactions from the different investment managers, term deposits and listed securities in your portfolio. This makes it easier to compare and analyse how various investments are performing and for your financial adviser to make informed decisions if changes need to be made.

Following the end of each financial year, we'll produce your comprehensive Investor Report with a clear snapshot of all your investments in the one document. This is also available on *Investor Online*.

You can access information on your account anytime and anywhere online, through *Investor Online*. For more information on *Investor Online* and other types of reporting we make available to you, refer to 'Keeping you informed' in the 'General information' section in this PDS.

 For more information on how Asgard Open eWRAP Super/Pension works, see the 'How your account works' section in the AIB.

4. What are the risks

It's important to note that all investments involve varying degrees of risk. The likely investment return and the level of risk that you could lose money are different for each investment option depending on the underlying mix of assets. Generally, the higher the potential return of an investment over the longer term, the greater the risk of loss in the shorter term.

When considering investment in super, it's important to understand:

- > investments will fluctuate in value
- > returns are not guaranteed and you may lose some or all of your money
- > investment returns can be volatile and may vary – past performance is not a reliable indicator of future performance
- > laws affecting your super may change
- > the amount of your future super savings may not be enough to adequately provide for your retirement.

Risks associated with a particular investment option could include (among other things) risks specific to a certain security, market risk, currency risk, interest rate risk, derivatives and gearing risk, alternative investment risk, credit risk, liquidity risk and legal and regulatory risk.

The Asgard Open eWRAP Super and Asgard Open eWRAP Pension accounts and the investments you select are also subject to investment risk, including possible delays in repayment and the loss of principal, income and capital invested.

The appropriate level of risk for you will depend on your age and investment timeframe, where other parts of your wealth are invested and how comfortable you are with the possibility of losing some of your super in some years.

A crucial part of your relationship with your financial adviser is working out your own risk/return profile; that is, how much risk you are prepared to take in order to generate the returns you want.

 For more information on risks of investing and super, see 'Investing involves risk' in the 'Your investment options' section in the AIB.

5. Fees and other costs

Did you know?

Small differences in both investment performance and fees and costs can have a substantial impact on your long term returns. For example, total annual fees and costs of 2% of your account balance rather than 1% could reduce your final return by up to 20% over a 30 year period (for example, reduce it from \$100,000 to \$80,000).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs.

You may be able to negotiate to pay lower fees. Ask the fund or your financial adviser.

To find out more

If you would like to find out more, or see the impact of the fees based on your own circumstances, the **Australian Securities and Investments Commission (ASIC)** website (www.moneysmart.gov.au) has a superannuation calculator to help you check out different fee options.

Fees and other costs

This document shows fees and other costs that you may be charged. These fees and other costs may be deducted from your money, from the returns on your investment or from the assets of the superannuation entity as a whole.

Other fees, such as activity fees, adviser fees for personal advice and insurance fees, may also be charged, but these will depend on the nature of the activity, advice or insurance chosen by you.

Taxes are set out in the 'What you need to know about super' section in the PDS and the 'How super is taxed' section in the AIB. Insurance fees and other costs relating to insurance are set out in the product disclosure statement of the relevant insurance provider.

You should read all the information about fees and other costs because it is important to understand their impact on your investment.

The fees and other costs for each managed investment offered by the superannuation entity are set out in the List of Available Investment Options booklet and the product disclosure statement for each managed investment. Contact your financial adviser for a copy of the relevant product disclosure statement. Existing members can also obtain a copy of the relevant PDS through *Investor Online*.

The fees and other costs shown in this section do not take into account any income tax benefit (if applicable), unless otherwise stated, include GST and any applicable stamp duty and are net of RITC.

Indirect cost ratio⁴	Cash Account fee (for the Cash Account only) This fee is the difference between: <ul style="list-style-type: none">> the interest earned by the Cash Account Administrator⁵ on the underlying bank accounts (including term deposits) it maintains with St.George and/or Westpac in which the cash from your Cash Account is deposited and> the declared interest rate that is payable to you for your Cash Account.⁶ The Cash Account fee is estimated to be 1.67% pa, but may vary from time to time. This estimate is based on the average fee for the financial year ended 30 June 2018.	This fee is charged by the Cash Account Administrator ⁵ for the administration of your Cash Account. The Cash Account fee accrues daily. It is charged before interest is calculated and credited to your Cash Account at the end of each month. The Cash Account fee is not separately deducted from your Cash Account. It is paid as an expense out of the cash deposited in the underlying bank accounts (including term deposits) the Cash Account Administrator maintains with St.George and/or Westpac.						

³ For more information about the other fees and costs, refer to the 'Additional explanation of fees and other costs' section in this PDS and the AIB.

⁴ Fees and costs are payable to the investment managers of the underlying investments. The amount you pay for specific underlying investments is shown in the List of Available Investment Options booklet and the disclosure documents for each underlying investment. For more information, see the 'Additional explanation of fees and other costs' section in this PDS.

⁵ The Cash Account Administrator is BT Portfolio Services Limited ABN 73 095 055 208 (BTPS). BTPS is a related body corporate of Asgard and BTFM.

⁶ The declared interest rate may change from time to time but will be greater than 0%. For the current interest rate declared on your Cash Account, speak with your financial adviser or our Customer Relations team.

Example of annual fees and costs (\$50,000)

This table gives an example of how the fees and costs for accessing the Advance Balanced Multi-Blend Fund through this superannuation product can affect your superannuation investment over a one year period. You should use this table to compare this superannuation product with other platform superannuation products.

Example – Advance Balanced Multi-Blend Fund		Balance of \$50,000 ¹
Investment fees	Nil	For every \$50,000 ¹ you have in the superannuation product, you will be charged \$0 each year.
PLUS Administration fees	\$750 ¹ (Administration fee – all assets including your Cash Account) + \$170 ² (expense recovery)	And , you will be charged \$920 in administration fees.
PLUS Indirect costs for the superannuation product	1.67% ¹ (Cash Account fee)	And , indirect costs of \$33.40 each year will be deducted from your investment.
EQUALS Cost of product		If your balance was \$50,000 ¹ then for that year you will be charged fees of \$953.40 ³ for the superannuation product.

This example is illustrative only and fees and costs may vary for your actual investment. The example only shows the fees and costs that relate to accessing investments through the superannuation product and not the fees and costs of the underlying investments. Additional costs will be charged by the issuers of those products that you decide to invest in. Please refer to the example below 'Example of total costs' that illustrates the combined effect of the fees and costs.

- 1 In this example, it is assumed that \$48,000 is held in the Advance Balanced Multi-Blend Fund and an additional \$2,000 is held in your Cash Account for the whole year (please refer to the 'Maintaining a minimum balance in your Cash Account' in the 'How your account works' section in the AIB to confirm the minimum amount required to be held in your Cash Account). As the amount is less than \$300,000, a minimum administration fee of \$750 per annum applies. As your account balance increases, the total administration fee you pay as a percentage of your account balance will decrease due to the tiered administration fee structure (as shown in the administration fee scale in the fee table in this section).
- 2 The exact amount deducted from your account will be confirmed in your Investor Report. This example includes \$170 pa which is comprised of 0.03% pa of your account balance (or \$15 pa) for the ORFR and \$155 pa for other expenses we recover for compliance with legislative and prudential standards, and paying compulsory government levies. Please refer to the 'Additional explanation of fees and other costs' section in the AIB for more information.
- 3 This example does not take into account all the fees and costs that may apply to your account, for example: a) adviser fees, and b) transaction costs (that is buy/sell spread and brokerage). Refer to the 'Additional explanation of fees and other costs' section in the AIB for information about the fees and other costs that may apply.
 - a) The adviser fee is negotiated between you and your financial adviser and paid to your financial adviser.
 - b) The actual transaction costs incurred are dependent on the balance of your Cash Account, managed investments, term deposits and listed securities you decide to invest in.

Fee aggregation

Where you hold more than one Asgard Open eWRAP Super/Pension account we will automatically link these accounts and apply proportionately each of the administration fee scales that are relevant to the aggregated value of your Cash Account, managed investments and listed securities held through these accounts. The administration fee that the linking of accounts generates is then compared to the sum of the administration fees payable on each of the individual accounts to determine whether any discount arises from the fee aggregation. The discount (if any) is apportioned across the linked accounts based on the value of your Cash Account, managed investments and listed securities held through each account. This is another way we help you lower the cost of managing your investments.

To be eligible for aggregation, the accounts must be registered under the same surname, date of birth, financial adviser and adviser code. There is no limit to the number of accounts that can be linked together for the purpose of fee aggregation.

Adviser remuneration/fees

Our fee structure provides you and your financial adviser with flexibility when determining the fee they receive for the financial advice and related services they provide to you in relation to your account. The following optional fees are available for you to select the most appropriate remuneration arrangement with your financial adviser:

- > Adviser fee – Contributions
- > Ongoing adviser fee
- > One-off adviser fee.

You may agree to one or more of these options. The amounts you specify will be GST inclusive, but will not take into account any RITCs that may be claimed. Where applicable, the actual amounts that will be deducted from your Cash Account will be adjusted for RITC that is claimed in respect of these fees, and may therefore be less than the amounts you specify on the relevant form.

The payment of fees you agree to pay to your financial adviser in relation to financial product advice or related services that you receive will, subject to our duties as the Trustee, be facilitated by us in accordance with your directions. Generally, when you consent to us paying these agreed fees to your financial adviser, we will deduct those amounts in the same way (and on the same basis under the Trust Deed) used to deduct the fees you pay to us for administering your account.

Please note that all of the adviser fees are deducted by us and then paid to your financial adviser, or to your financial adviser's dealer group on behalf of your financial adviser. However, we will not deduct any amounts in relation to adviser fees unless you agree, and we do not retain any portion of these adviser fees for our own benefit.

By consenting in the relevant form to the deduction and payment of agreed fees to your financial adviser (or to your financial adviser's dealer group on behalf of your financial adviser), you direct us to make those payments to your financial adviser (or to your financial adviser's dealer group on behalf of your financial adviser).

Opting-out from advice

You may at any time opt out of receiving financial advice or related services from your financial adviser and paying your financial adviser ongoing fees by notifying us. We encourage you to talk to your financial adviser first before requesting to change the fees applying to your account. We reserve the right to cease paying to your financial adviser any adviser fees on your behalf on receipt of a written request from either of you or your financial adviser.

If you opt out of the ongoing adviser fees paid to your financial adviser, we will generally cease paying the ongoing adviser fees from the beginning of the month in which your request is processed by us. For the Adviser fee – Contributions, we will generally cease paying this from the date on which your request is processed by us. However, if you have instructed us to cease paying adviser fees without terminating or opting out of an ongoing fee arrangement with your financial adviser, then you may still be personally liable to pay the adviser fees as agreed under that arrangement. For information on disclosure of your financial adviser's remuneration, refer to 'Disclosure of fees and costs received by your financial adviser' later in this section.

Opting out from advice is not the same as ending your relationship with your financial adviser. This needs to be separately requested (if required). If the relationship with your financial adviser has ended but you do not appoint a new financial adviser, this may have an effect on the fees you pay and your account features. For more information, see 'What will happen if you no longer have a financial adviser' in the 'General information' section in this PDS.

Adviser fee – Contributions

You and your financial adviser may agree the amount of adviser remuneration that will apply to financial advice and related services provided in relation to the initial and ongoing contributions into your account (whether made by you, your employer or another person on your behalf). It can be between nil and 5.5% (including GST). When you agree to the amount of the fee, you consent to us deducting and paying this amount from your account at the same time as we receive each contribution.

For one-off contributions, where requested, the Adviser fee – Contributions can be nominated as a dollar amount at the time the contribution is made. However, the dollar amount cannot exceed a maximum of 5.5% (including GST) of the contribution.

If no percentage or dollar-based fee is specified, the fee will be nil.

Ongoing adviser fee

An ongoing adviser fee can also be paid to your financial adviser in addition to the administration fee which is payable to us on a monthly basis in arrears. The ongoing adviser fee amount is calculated on the basis agreed between you and your financial adviser. When you agree on an amount, or basis of calculation, you consent to us deducting and paying this amount from your account each month.

You may select from the following monthly adviser fee options.

1. **Flat percentage amount** – Select a flat percentage between 0% and 5.5% (including GST) to apply to the value of managed investments, term deposits, listed securities and cash.

OR

2. **Sliding scale** – Specify a sliding scale applicable to the value of managed investments, term deposits and listed securities.

OR

3. **Flat dollar amount** – Select a flat dollar amount per month which can be increased annually in line with the Consumer Price Index (CPI). You can indicate in your application the month and year in which the increase will first occur.

The flat percentage and sliding scale monthly adviser fee options are calculated based on your account balance (of managed investments, term deposits, listed securities and cash, as applicable) at the end of the previous month.

Ongoing adviser fees are paid monthly in arrears from your Cash Account. Where your account is opened during the month, the ongoing adviser fee charged for the first month will be pro-rated based on the number of days your account was open in that month.

One-off adviser fee

You can agree with your financial adviser to have a one-off flat dollar fee charged to your account. The one-off adviser fee can be paid to your financial adviser in addition to the administration fee which is payable to us. When you agree on an amount, you consent to us deducting and paying this amount from your account.

The one-off adviser fee can be charged on an ad-hoc basis but is limited to being charged once a month. It is deducted from your Cash Account in arrears at the beginning of the next month or, if applicable, at the time your account is closed. In each case, the one-off fee will only be charged if your total account balance as at the end of the previous month was sufficient to cover the fee amount.

Disclosure of fees and costs received by your financial adviser

Your financial adviser must disclose to you any benefits they receive in relation to your investment, including all fees and costs that you have negotiated with them. See your financial adviser's Financial Services Guide and/or Statement of Advice for further information on these benefits.

If an ongoing fee arrangement exists between you and your financial adviser, your financial adviser will also be required to give you a Fee Disclosure Statement on an annual basis. It is also your and your financial adviser's responsibility to notify us to cease payment of adviser remuneration or fees in the event that the ongoing fee arrangement is either terminated or is not renewed.

Platform payments

In limited circumstances, and to the extent permitted by law, we may pay to your financial adviser's dealer group or an appropriate licensed related body corporate of their dealer group up to 100% of the fees/other payments we receive (other than any expense recovery). We pay these amounts out of our own funds and they are not additional costs to you.

Variation of fees and other costs

Our ability to charge fees and expenses, including both maximum amounts and the introduction of new fees, is not restricted under the Custody Service Deed (the trust deed for Asgard Open eWRAP Super/Pension, a copy of which can be obtained by calling our Customer Relations team). We may change or introduce fees and other costs payable to us at any time and will give you at least 30 days prior written notice if we consider the change is materially adverse to your interests.

In the event of any change in tax laws or their interpretation, including changes which affect the rate of GST payable or the input tax credits, the amounts deducted from your Cash Account in respect of the fees and costs applied to your Asgard Open eWRAP Super/Pension account may be varied or adjusted to reflect such changes without your consent or further notice to you.

We may, at our discretion, either generally or on request from you, your financial adviser or their dealer group, reduce or waive any of the fees and costs applying to your account.

Any such reduction or waiver of fees and costs will cease to apply, and those fees and costs will generally revert to the unreduced amount on 30 days notice, or without notice if you cease to be advised by your financial adviser or their dealer group.

Managed investments

Investment manager fees may be varied at any time by an investment manager, without notice to you. See the List of Available Investment Options booklet for the full list of investment manager fees.

Details of current fees and costs, including changes to underlying managed investment fees and costs, are available through Investor *Online* (see 'Electronic notifications, eStatements and online communications' in the 'General information' section in this PDS for more information about electronic notification).

Before making an investment decision, you should refer to the current investment manager fees applying to your account which are available at any time through Investor *Online* and by referring to the List of Available Investment Options booklet and any related updating information that is applicable to your account.

Related party investment arrangements and transactions

Some of the managed investments and term deposits available through Asgard Open eWRAP Super/Pension are issued or managed by companies within the Westpac Group. These Westpac Group companies receive fees in relation to your investment in the relevant managed investments and term deposits, which may include contribution fees, management fees, performance fees, withdrawal fees and other fees as specified in the product disclosure statement or other disclosure document for the relevant managed investments and term deposits. Companies within the Westpac Group may also hold on deposit and manage the monies in your cash balance on a daily basis and may perform other services in relation to assets. Related parties will receive fees for services they provide. All arrangements are on an arm's length basis.

Where a managed investment is issued or managed by a company in the Westpac Group, the same investment selection criteria applicable to managed investments issued or managed by unrelated parties applies. We also have policies that govern how we manage actual and perceived conflicts of interest that may arise and these policies apply to the managed investment selection process.

 For more information on additional fees and costs such as performance fees, buy/sell spreads and share brokerage that may apply, see the 'Additional explanation of fees and other costs' section in the AIB.

6. General information

What will happen if you no longer have a financial adviser

You must have a financial adviser when you open your Asgard Open eWRAP Super/Pension account. However, if you want to end the relationship, you must notify us immediately by taking the steps described below. Alternatively, if we become aware of an event that ends the relationship between you and your financial adviser, we will notify you. In these cases, you can appoint a new financial adviser to manage your account.

We encourage you to have a financial adviser to allow you to access all account features and to enable efficient processing of your investment instructions.

What do you need to do

If you want to appoint a new financial adviser, you need to complete and return to us a 'Change of Adviser' form. If you want to end the relationship with your current financial adviser, but won't be appointing a new financial adviser at the same time, you will need to complete a 'Request to remove a financial adviser from an account' form. You can obtain both forms by contacting our Customer Relations team. **It is important to complete the relevant form to assist you in managing your adviser fee arrangements and deciding who can access your account.**

What happens if you don't appoint a replacement financial adviser

If you don't appoint a new financial adviser, you will assume responsibility for managing your account directly.

Once we process your 'Request to remove a financial adviser from an account' form or, alternatively, after we've notified you that your relationship with your financial adviser has ended, the following changes will occur (within a period that is appropriate in the circumstances or is required by law).

- > Loss of any negotiated administration fee discount. If your financial adviser (or their dealer group) had negotiated a reduction in your administration fee, this reduction will no longer apply and your administration fee will increase to the amount disclosed in the fee table in this PDS (see the 'Fees and other costs' section in this PDS).
- > Some features of your Asgard Open eWRAP Super or Asgard Open eWRAP Pension account will change. For example you will be:
 - able to provide investment instructions relating to managed investments, term deposits and (if you have a share account) listed securities, but only where you complete and lodge a form with us. The form is available through our Customer Relations team
 - unable to provide us with your corporate action elections
 - unable to access certain account features, including:
 - automatically invest excess cash
 - automatically rebalance your account
 - regular buy
 - regular sell
 - reinvestment of income distributions.

This right can be exercised within 14 days after confirmation of your investment or 14 days after the fifth business day after the money has been invested, whichever is earlier.

This cooling-off period only applies to the first contribution made into your account.

You may exercise your cooling-off rights by notifying us in writing within the cooling-off period. You cannot exercise your cooling-off rights in respect of a deposit after you have exercised any other rights or powers you have in respect of that deposit.

The amount received will reflect any market movements (up or down) in the value of the investment in your account.

We may also deduct any taxes, reasonable transaction and administration costs. In the case of a Asgard Open eWRAP Pension account we may also deduct any pension payments that have already been made, or any pro-rata pension payments legally required to be made. As a result, the amount redeemed may be less than your original investment. The sale of any investments required to action the refund may also result in the realisation of a taxable capital gain.

If your money is required to be paid to another super fund, or you wish to have the money paid to another super fund, you must nominate that fund to us. You must make such a nomination to us within one month of your refund request.

If you do not advise us of the complying super fund, retirement savings account or approved deposit fund you would like your contribution to be rolled over to, we will roll over your contribution to the SuperTrace Eligible Rollover Fund.

 Refer to 'Eligible Rollover Fund – Super account only' in the 'Other information' section in the AIB for more information on our current nominated Eligible Rollover Fund and the SuperTrace product disclosure statement for more information on SuperTrace.

Services to be provided for the one-off advice fee and/or initial deposits and contributions advice fee arrangement

Advice fees you have agreed to will reduce your transaction account balance. This may be done automatically by BTFM cashing other investments held in your account and as described in the relevant product disclosure statement.

Enter fee amount (excluding GST)

Note:

- Your consent will last until the fee is deducted from the account, provided that the relevant arrangement with your adviser or your adviser's licensee has not terminated and you have not withdrawn this consent prior to that date. Deduction will occur after this consent has been received and checked by BTfM.
- You can withdraw your consent by contacting BTfM at any time prior to the services being provided by your adviser.
- The one-off advice fee will be charged once only under this form and will be charged in addition to any ongoing fee(s). It is deducted in arrears from your transaction account the month following receipt of this completed consent form, or if applicable, at the time your account is closed.
- The one-off fee will only be charged if your total account balance at the end of the previous month was sufficient to cover the fee amount, otherwise the fee will carry forward to the next month.

Things to consider when transferring your super

When you transfer your super, your entitlements under that fund may cease. You need to consider all relevant information before you make a decision to transfer your super. If you ask for information, your super provider must give it to you. Some of the points you may consider are:

- **Fees** – your FROM fund must give you information about any exit or withdrawal fees. If you are not aware of the fees that may apply, you should contact your fund for further information before completing this form. The fees could include administration fees as well as exit or withdrawal fees. Your TO fund may also charge entry or deposit fees on transfer.

Differences in fees funds charge can have a significant effect on what you will have to retire on. For example, a 1% increase in fees may significantly reduce your final benefit.

- **Death and disability benefits** – your FROM fund may insure you against death, illness or an accident which leaves you unable to return to work. If you choose to leave your current fund, you may lose any insurance entitlements you have. Other funds may not offer insurance or may require you to pass a medical examination before they cover you. When considering a new fund, you may wish to check the costs and amount of any cover offered.

- **Tax file number (TFN)** – you are not obligated to provide your TFN to your super fund. However, if you do not provide your TFN, your fund may be taxed at the highest marginal tax rate plus the Medicare levy on contributions made to your account in the year, compared to the concessional tax rate of 15%. Your fund may deduct this additional tax from your account.

If your super fund does not have your TFN, you will not be able to make personal contributions to your super account. Choosing to quote your TFN will also make it easier to keep track of super in the future.

Under the **Superannuation Industry (Supervision) Act 1993**, your super fund is authorised to collect your TFN, which will only be used for lawful purposes. These purposes may change in the future as a result of legislative change. The TFN may be disclosed to another super provider when your benefits are being transferred, unless you request in writing that your TFN is not disclosed to any other trustee.

Note: If you choose not to provide your TFN the transferring fund may ask you to prove your identity.

What happens to my future employer contributions?

Using this form to transfer your benefits will not change the fund to which your employer pays your contributions and may close the account you are transferring your benefits FROM. If you wish to change the fund into which your contributions are being paid, you will need to speak to your employer about choice.

Have you changed your name or signing on behalf of another person?

If you have changed your name or are signing on behalf of the applicant, you will need to provide a linking document. A linking document is a document that proves a relationship exists between two (or more) names.

The following table contains information about suitable linking documents.

Purpose	Suitable linking documents
Change of name	Certified original copy of the marriage certificate, deed poll or change of name certificate from the Births, Deaths and Marriages Registration Office.

Tax file number declaration

Information you provide in this declaration will allow your payer to work out how much tax to withhold from payments made to you.

— This is not a TFN application form.
To apply for a TFN, go to ato.gov.au/tfn

! Terms we use

When we say:

- **payer**, we mean the business or individual making payments under the pay as you go (PAYG) withholding system
- **payee**, we mean the individual being paid.

Who should complete this form?

You should complete this form before you start to receive payments from a new payer – for example:

- payments for work and services as an employee, company director or office holder
- payments under return-to-work schemes, labour hire arrangements or other specified payments
- benefit and compensation payments
- superannuation benefits.

! You need to provide all information requested on this form. Providing the wrong information may lead to incorrect amounts of tax being withheld from payments made to you.

- ! You don't need to complete this form if you:
- are a beneficiary wanting to provide your tax file number (TFN) to the trustee of a closely held trust. For more information, visit ato.gov.au/trustsandtfnwithholding
 - are receiving superannuation benefits from a super fund and have been taken to have quoted your TFN to the trustee of the super fund
 - want to claim the seniors and pensioners tax offset by reducing the amount withheld from payments made to you. You should complete a withholding declaration form (NAT 3093)
 - want to claim a zone, overseas forces or invalid and invalid carer tax offset by reducing the amount withheld from payments made to you. You should complete a withholding declaration form (NAT 3093).

> For more information about your entitlement, visit ato.gov.au/taxoffsets

Section A: To be completed by the payee

Question 1

What is your tax file number (TFN)?

You should give your TFN to your employer only after you start work for them. Never give your TFN in a job application or over the internet.

- We and your payer are authorised by the *Taxation Administration Act 1953* to request your TFN. It's not an offence not to quote your TFN. However, quoting your TFN reduces the risk of administrative errors and having extra tax withheld. Your payer is required to withhold the top rate of tax from all payments made to you if you do not provide your TFN or claim an exemption from quoting your TFN.

How do you find your TFN?

You can find your TFN on any of the following:

- your income tax notice of assessment
- correspondence we send you
- a payment summary your payer issues to you.

If you have a tax agent, they may also be able to tell you.

If you still can't find your TFN, you can:

- phone us on **13 28 61** between 8.00am and 6.00pm, Monday to Friday.

If you phone or visit us, we need to know we are talking to the correct person before discussing your tax affairs. We will ask you for details only you, or your authorised representative, would know.

You don't have a TFN

If you don't have a TFN and want to provide a TFN to your payer, you will need to apply for one.

For more information about applying for a TFN, visit ato.gov.au/tfn

You may be able to claim an exemption from quoting your TFN.

Print X in the appropriate box if you:

- have lodged a TFN application form or made an enquiry to obtain your TFN. You now have 28 days to provide your TFN to your payer, who must withhold at the standard rate during this time. After 28 days, if you haven't given your TFN to your payer, they will withhold the top rate of tax from future payments
- are claiming an exemption from quoting a TFN because you are under 18 years of age and do not earn enough to pay tax, or you are an applicant or recipient of certain pensions, benefits or allowances from the:
 - Department of Human Services – however, you will need to quote your TFN if you receive a Newstart, Youth or sickness allowance, or an Austudy or parenting payment
 - Department of Veterans' Affairs – a service pension under the *Veterans' Entitlement Act 1986*
 - Military Rehabilitation and Compensation Commission.

Providing your TFN to your super fund

Your payer must give your TFN to the super fund they pay your contributions to. If your super fund doesn't have your TFN, you can provide it to them separately. This ensures:

- your super fund can accept all types of contributions to your accounts
- additional tax will not be imposed on contributions as a result of failing to provide your TFN
- you can trace different super accounts in your name.

- For more information about providing your TFN to your super fund, visit ato.gov.au/supereligibility

Question 2–6

Complete with your personal information.

Question 7

On what basis are you paid?

Check with your payer if you're not sure.

Question 8

Are you an Australian resident for tax purposes or a working holiday maker?

Generally, we consider you to be an Australian resident for tax purposes if you:

- have always lived in Australia or you have come to Australia and now live here permanently
- are an overseas student doing a course that takes more than six months to complete
- migrate to Australia and intend to reside here permanently.

If you go overseas temporarily and don't set up a permanent home in another country, you may continue to be treated as an Australian resident for tax purposes.

If you are in Australia on a working holiday visa (subclass 417) or a work and holiday visa (subclass 462) you must place an X in the working holiday maker box. Special rates of tax apply for working holiday makers.

- For more information about working holiday makers, visit ato.gov.au/whm

If you're not an Australian resident for tax purposes or a working holiday maker, place an X in the foreign resident box, unless you are in receipt of an Australian Government pension or allowance.

Temporary residents can claim super when leaving Australia, if all requirements are met. For more information, visit ato.gov.au/departaustralia

Foreign resident tax rates are different

A higher rate of tax applies to a foreign resident's taxable income and foreign residents are not entitled to a tax-free threshold nor can they claim tax offsets to reduce withholding, unless you are in receipt of an Australian Government pension or allowance.

- To check your Australian residency status for tax purposes or for more information, visit ato.gov.au/residency

Do you want to claim the tax-free threshold from this payer?

The tax-free threshold is the amount of income you can earn each financial year that is not taxed. By claiming the threshold, you reduce the amount of tax that is withheld from your pay during the year.

Answer **yes** if you want to claim the tax-free threshold, you are an Australian resident for tax purposes, and one of the following applies:

- you are not currently claiming the tax-free threshold from another payer
- you are currently claiming the tax-free threshold from another payer and your total income from all sources will be less than the tax-free threshold.

Answer **yes** if you are a foreign resident in receipt of an Australian Government pension or allowance.

Answer **no** if none of the above applies or you are a working holiday maker.

- ! If you receive any taxable government payments or allowances, such as Newstart, Youth Allowance or Austudy payment, you are likely to be already claiming the tax-free threshold from that payment.
- > For more information about the current tax-free threshold, which payer you should claim it from, or how to vary your withholding rate, visit ato.gov.au/taxfreethreshold

Question 10

Do you have a Higher Education Loan Program (HELP), VET Student Loan (VSL), Financial Supplement (FS), Student Start-up Loan (SSL) or Trade Support Loan (TSL) debt?

Answer **yes** if you have a HELP, VSL, FS, SSL or TSL debt.

Answer **no** if you do not have a HELP, VSL, FS, SSL or TSL debt, or you have repaid your debt in full.

- ! You have a HELP debt if either:
 - the Australian Government lent you money under HECS-HELP, FEE-HELP, OS-HELP, VET FEE-HELP, VET Student loans prior to 1 July 2019 or SA-HELP.
 - you have a debt from the previous Higher Education Contribution Scheme (HECS).
- You have a SSL debt if you have an ABSTUDY SSL debt.
- You have a separate VSL debt that is not part of your HELP debt if you incurred it from 1 July 2019.
- > For information about repaying your HELP, VSL, FS, SSL or TSL debt, visit ato.gov.au/getloaninfo

TSL debt?

When you have repaid your HELP, VSL, FS, SSL or TSL debt, you need to complete a *Withholding declaration* (NAT 3093) notifying your payer of the change in your circumstances.

! Sign and date the declaration

Make sure you have answered all the questions in section A, then sign and date the declaration. Give your completed declaration to your payer to complete section B.

Section B: To be completed by the payer

Direct debit request service agreement

Asgard

This agreement sets out the terms on which we accept and act under a Direct Debit Request (DDR) you give us to debit amounts from your account under the Bulk Electronic Clearing System (BECS). It is additional to the arrangement under which you make payments to us.

Asgard Capital Management Ltd ABN 92 009 279 592 ('we' or 'us'), User ID: 016103

You have entered or are about to enter into an arrangement under which you make payments to us. You want to make those payments by use of the BECS.

Ensure that you keep a copy of this agreement as it sets out certain rights you have against us and certain obligations you have to us due to giving us your DDR.

When we are bound by this agreement

1. We agree to be bound by this agreement when we receive your DDR complete with the particulars we need to draw an amount under it.

What we agree to and what we can do

2. We only draw money out of your account in accordance with the terms of your DDR.
3. We do not give you a statement of the amounts we draw under your DDR.
4. On giving you at least 14 days notice, we may: change our procedures in this agreement; change the terms of your DDR; or cancel your DDR.
5. You may ask us to: alter the terms of the DDR; defer a payment to be made under your DDR; stop a drawing under your DDR; or cancel your DDR by emailing asgard.investor.services@asgard.com.au or writing to Asgard, PO Box 7490, Cloisters Square WA 6850. We require a new direct debit form if you are changing your financial institution or where you have deferred a direct debit for more than three months.
6. You can dispute an amount we draw under your DDR by calling our Contact Centre on 1800 998 185; or emailing asgard.investor.services@asgard.com.au; or writing to Asgard, PO Box 7490, Cloisters Square WA 6850.
7. We deal with any disputes under Clause 6 of this agreement as follows. We and our bank review our respective records. If necessary we contact your financial institution to review its records. We advise you and your financial adviser in writing within two to four weeks, depending on the nature and extent of the dispute, and the measures taken to resolve it.
8. If the day on which you must make any payments to us is not a business day, we will draw on your account under your DDR on the first business day following that day.
9. If your financial institution rejects any of our attempts to draw an amount in accordance with your DDR, we contact you and your financial adviser in writing. After three consecutive rejections we advise you and your financial adviser in writing that you can no longer make payments by direct debit. Should we purchase managed investments on your behalf with the proceeds of the DDR, and your financial institution does not honour the DDR, managed investments may have to be sold. We cannot be held responsible for the effect of this buying and selling.
10. We will not disclose to any person any information you give us on your DDR, which is not generally available, unless: you dispute any amount we draw under your DDR and we need to disclose any information relating to your DDR or to any amount we draw under it to the financial institution at which your account is held or the financial institution which sponsors our use of the BECS or both of them; you consent to that disclosure; or we are required to disclose that information by law.

What you should consider

11. Not all accounts held with a financial institution are available to be drawn on under the BECS.
12. Before you complete your DDR, it is best to check account details against a recent statement from your financial institution to ensure the details on your DDR are completed correctly.
13. If you are uncertain when your financial institution processes an amount we draw under your DDR on a day which is not a business day, enquire with your financial institution.
14. It is your responsibility to ensure there are sufficient cleared funds available in your account, by the due date on which we draw any amount under your DDR, to enable us to obtain payment in accordance with your DDR.
15. We request you to direct all requests to stop or cancel your DDR, and all initial enquiries relating to any dispute under Clause 6 of this agreement, to us.

Information on completing this form

Make a new binding death benefit nomination

- Unless you revoke a binding death benefit nomination, it will remain valid for a period of three years from the date you first signed, last confirmed or amended it. If a binding death benefit nomination ceases to be valid it will not be binding on the Trustee and the Trustee will have the discretion to determine to whom your death benefit is paid, although the nomination will be taken into consideration.
- You can change or revoke your nomination at any time. Making a new binding death nomination will replace existing binding death benefit nomination. Your current nomination will be revoked upon acceptance of the new binding death nomination.
- You can only nominate an 'eligible dependant(s)' and/or your estate. An eligible dependant includes:
 1. **Your spouse** (including a person who, although not legally married to you, lives with you on a genuine domestic basis as a couple or in a relationship that is registered under certain state or territory laws, as the case may be),
 2. **Your child** (including an adopted child, a step child or ex-nuptial child including adult children whether or not financial dependant on you),
 3. Anyone with whom you have an **interdependency relationship** at the time of your death (refer to the 'What happens when you die' or the 'Estate planning' section in the relevant PDS or AIB for more information),
 4. Any other person **financially dependent** on you at the time of your death.
- An assessment of whether a person is an eligible dependant at the time your death is based on evidence subsequently supplied to the Trustee.
- You should ensure that your death benefit nomination is kept up to date as your circumstances change. These circumstances may include divorce, marriage, the birth of a child, the death of a nominated beneficiary and other changes in your personal circumstances. If in doubt, contact your financial adviser.

Confirm an existing binding death benefit nomination

- A binding death benefit nomination can only be confirmed before it expires. If it has expired, you will need to make a new binding death benefit nomination.
- Once a valid confirmation is received from you, your nomination will be valid for three years from the date the form is signed. You do not need a witness to confirm.

Revoke a current binding death benefit nomination

- If you are revoking your current binding death benefit nomination, you must sign and date the investor declaration section in the presence of two witnesses. Each witness must have turned 18 years of age and neither of them can be a beneficiary under the nomination being revoked. Each witness must also sign and date the witnesses' declaration section. You will then no longer have a valid nomination and the revoked nomination will not be taken into consideration by the Trustee when making any death benefit determination.
- To replace existing binding death benefit nomination, simply make a new binding death nomination. Your current nomination will be revoked upon acceptance of the new binding death nomination.

Checklist

- ☐ Ensure the total nomination allocated to your beneficiaries and/or estate equals 100% (otherwise the request will be invalid).
- ☐ Ensure that you have signed and dated this form.
- ☐ If you are making or revoking a binding death benefit nomination, ensure that the form has been signed by two witnesses.
