Adult MADLIBS HOW TO WRITE A COUNTRY HEARTBREAK BALLAD

The world's greatest _____ game

The easiest type of country song to write is a heartbreak ballad. After all, we've all had our _____ broken at some point, right? The first step is to think of a very _____ breakup. Did you want to stay at home in your _____? Did you want to drink _____ all day long? Write it down! This is the _____ stuff to put in the chorus. Now it's time to think about the verses. Did your _____ cheat on you? Did he or she steal your _____? Did he or she _____ without warning? You'll need one _____ line in your chorus to act as your hook—that's usually the title of the _____, too. Something like "you walk by, and I _____ to pieces" or "that's my girl, my whole world, but that ain't my _____" works _____.

Once you have your hook, it's time to start _____. You're sure to have your listeners _____ in no time!
