Organizer

H.V.P.S Ramniranjan Jhunjhunwala College of Arts, Science and Commerce, Mumbai :

On the auspicious day of Shri Krishna Janmashtami, 15th August 1938, the people of Ghatkopar and the surrounding suburbs witnessed the birth of Hindi Vidya Prachar Samiti, a brain child of a visionary Late Shri Nandkishore Singh Jairamji. The Samiti was established with the objectives of catering to the educational needs of the Hindi speaking community. It made a humble beginning by starting a primary school, which gradually expanded into a full-fledged secondary school. With its primary objectives achieved the Samiti decided to extend its frontiers and broaden its horizons. As a result, Ramniranjan Jhunjhunwala College came into existence in 1963, enabling a larger section of the society to take advantage of the facilities provided by higher education. In 1976 the Junior College section was introduced and in 1981 the Commerce faculty commenced both at the Junior and Degree College level. From 1999-2000 the College has added a number of self-financing courses like BMS, B.B.I, B.Sc. in C.S., I.T., Biotechnology, M.Sc. in Computer Science as well as add on courses, which further hone the special skills of the students. In 2014 saw a change in education system with greater emphasis being given to employability of youth. As an effort to realize the dream of Make in India, Digital India, Clean and Green India, we have started skill based program supported by University Grants commission known as Bachelor in Vocation.

The college has been reaccredited with 'A' Grade by NAAC in 2014 with a CGPA 3.50 and received the Best College Award (2007-2008) of the University of Mumbai. The College has been bestowed with IMC RAMKRISHNA BAJAJ PERFORMANCE EXCELLENCE TROPHY, 2010. The Principal of the college was awarded "Best Teacher" by Government of Maharashtra in 2011. Government of Maharashtra conferred the college with "JAAGAR JAANIVANCHA" (First in Mumbai Suburban- in 2013 and Second in Mumbai Suburban- in 2014) for safety of girls.

Association of Teachers in Biological Sciences (ATBS) :

Founded in 2006 with the main objective of up gradation of learning and teaching in Biological Sciences, it organizes seminars, conferences, workshops, conventions, competitions etc. for this. In the current pandemic situation, it has organized series of talks and an orientation program for competitive examinations in life sciences. ATBS has been collaborating with PDM for organizing annual conference on the occasion of the World Wetlands Day and World Mangroves Day.

About the Webinar

Eco tourism is one of the means to Sustainable Development Goals set by UNDP to be achieved by 2030. To underline its significance and role and spread its awareness among the academic fraternity (both teachers and students) we (Department of Botany, Economics and Zoology) at Ramniranjan Jhunjhunwala college are organising a National Interdisciplinary Webinar on the theme "Eco tourism: A model of sustainable development" on 27th and 28th April, 2022.

Participatory Activities

The webinar shall also offer the platform for environment concerned teachers and students to give presentations on the theme of webinar. Presentation Competition is planned to encourage the students. Three best presentations will be rewarded.

Topics for presentation :-

- Environmental impacts of ecotourism
- Ecotourism: Its impact on indigenous people
- Economic impact of ecotourism
- Ecotourism: Indian scenario
- Ecotourism: Potential and possibilities

Last date of Registration and Sending Presentations - 22nd April 2022

Rules for presentation: 1) Either an individual or team of two students can participate. 2) Time : 8 mins for presentation. 3) Abstract to be given before to the given deadline. 4) Avoid Plagiarism.
