This **Contract**, including the Application Page, Terms and Conditions, **Identification Card**, limitations, exceptions, definitions, and exclusions, together with any endorsements, if any, constitutes the entire **Contract**. No one other than the parties hereto, by mutual agreement, may change this **Contract** or waive any of its provisions. This **Contract** gives the Contract Holder

Replacement of **Covered Parts** that have experienced a **Breakdown** may be made with original equipment manufacturer parts, non-original equipment manufacturer parts, re-manufactured parts, or used parts at the **Administrator's** discretion.

DEDUCTIBLE:

Failure to follow the manufacturer's recommendations that apply to **Your** driving habits and climate conditions may result in the denial of **Coverage**.

All verifiable receipts must be retained for any service work and may be requested. The **Administrator** may request receipts to verify **Vehicle** maintenance. If you perform **Your** own service, **You** must retain all receipts that show purchase of materials used in **Vehicle** maintenance procedures.

FILING A BREAKDOWN CLAIM:

If **Your Vehicle** incurs a **Breakdown**, **You** must take the following steps to file a claim:

1. **Prevent Further Damage** – Take immediate action to prevent further damage to **Your Vehicle**. This **Contract** will not cover the damage caused by continued operation or by not securing a timely repair of the

failed component. The operator of the **Vehicle** is responsible for observing **Vehicle** warning lights and gauges, and taking appropriate action immediately. Failure to do so may result in the denial of **Coverage**.

2. **Take Your Vehicle to a Licensed Repair Facility** – If **Your Vehicle** breaks down, take **Your Vehicle** to any licensed repair facility. A “licensed repair facility” is defined as a for-profit entity, recognized by the state, in the business of repairing motor vehicles.

4. **Obtain Authorization from the Administrator** – Prior to any repair being made, instruct the service manager at the licensed repair facility to contact the Administrator to obtain an authorization for the claim at 877-414-0134. Any claim for repairs without prior authorization will not be covered except as provided under Emergency Repairs (#8 below). The amount authorized by the **Administrator** is the maximum amount that will be paid for repairs covered under the terms of this **Contract**. Any additional amount must receive prior approval.
5. **Authorize Tear-Down and/or Inspection** – In some cases, **You** may need to authorize the licensed repair facility to inspect and/or tear-down **Your Vehicle** in order to determine the cause and cost of the repair. **You** will be responsible for these charges if the failure is not covered under this **Contract**. **We** reserve the right to require an inspection of **Your Vehicle** prior to any repair being made.
6. **Review Coverage** – After the **Administrator** has been contacted, review with the service manager what will be covered by this **Contract**.
7. **Pay any Applicable Deductible** – **You** must pay to the licensed repair facility any required **Deductible**. **We** will reimburse the licensed repair facility or **You** for the cost of the work performed on **Your Vehicle** that is covered by this **Contract** and previously authorized, less the **Deductible**. Once authorization is obtained and the repair is completed, all repair orders and documentation must be submitted to the **Administrator** within thirty (30) days (three hundred sixty-five (365) days in Wisconsin) to be eligible for payment.
8. **Emergency Repairs** – Should an emergency occur which requires repair of a **Breakdown** to be made at a time when the **Administrator**'s office is closed, follow the claim procedures above without authorization, and **We** will make reimbursement to **You** or to the licensed repair facility in accordance with the **Contract** provisions if the repair is covered. **You** must call the **Administrator**'s office within five (5) business days from the date of repair to determine if such repair will be covered by this **Contract**. Emergency Repairs are only those repairs, which, if not performed, would render **Your Vehicle** inoperable or unsafe to drive and impair its future operation.
