CHRISTIAN YOUTH IN ACTION®

Christian Youth in Action was extremely amazing! God moved in many ways through the students, and touched the lives of 126 children. They met at churches, YMCA's, and several daycare's around Florence. The most amazing part is that 13 children believed in Jesus as their Savior! God worked miracles even in the midst of a tough environment.

This fall, many of our Good News Clubs are concerned about what they will be able to do. Many schools are not allowing any after-school activity. And many of our volunteers are over 60, and are at risk. But we're not giving up! God is opening many doors in our area for different venues than the schools, and revealing other platforms through the Internet. Please pray for every volunteer, and for our staff as God shows us the best way to reach this children in our area!
