The undersigned agrees to contract childcare with Fit-n-Fun for the 2018 Summer Camp. During the duration of the contract, space will be reserved for the child of the undersigned. Rates will not be prorated. The only possible exceptions to this policy may be for serious health-related absences (accompanied by a physician's note). No cash refunds will be given. All issues pertaining to credits/prorated fees are subject to the Fit-n-Fun Director's approval. The patron must understand that in the event of absences during the program hours and activities, the patron is responsible for time reserved, not actual time spent at the program. **Policy Change:** After May 1st, weeks can be added but not subtracted. The weeks are Non-Transferable and Non-Refundable. Families will be expected to pay for the weeks selected.

I have read and understand this policy. **Initial** _____

All payments will be made on the first Monday of each week through Fit-n-Fun's auto-bill system which is provided by Procure and Intuit. All patrons must have a valid credit card or ACH account on file. We will accept no checks or cash. Payments will be pulled on the Monday of care. There may be a delay in the post of the payment to your bank account. Please understand there is not an immediate post. **Initial** _____

All participants must bring their own sack lunch. Please do not pack soda or candy in your child's lunch as we are part of the USDA food program and we are not allowed to let children eat these items at the facility. Please have lunches in a labeled container/lunchbox with your child's name on it (no plastic bags). Lunches may be placed in the cooler when children arrive at the center. If your child forgets a lunch, we will provide one for them, with an additional cost of \$5.

Initial _____

We are a Peanut Free Facility! Please do not pack peanut products in your child's lunch.

Two bottles of spray/lotion sunscreen must be provided per child for everyone to use. The sunscreen must be a 16-ounce bottle or larger. It must contain at least SPF 30 and must not contain DEET. The children are responsible for applying their own sunscreen lotion starting at age 6 (with supervision). The staff may only apply sunscreen to faces and squirt the lotion on the shoulders. Each child will have another child assist with sunscreen application with staff supervision. For preschool age children (ages 3-5), they will have staff assistance when applying sunscreen. **Initial** _____

Parking is available in front of the program. For the safety of all, we ask that you turn off your vehicle and walk your child in and sign them in. Please do not leave any other children unattended in the vehicle. **Initial**_____

Children must be signed in and out of the program each day. The sign in area is located at the front entrance of the Fit-n-Fun program. We use a pin pad to sign in & out as well as sheets. Each person will have a pin number that is generated by the system initially and then one can be created. **Initial**_____

Summer Camp hours of operation are from 6:30am-6:00pm. **Initial**_____

If a child has not been signed out by 6:00, a \$5.00 late charge will be levied for every 5 minutes after the closing time. For example, at 6:05, there will be a \$5.00 fee added to the normal fees. If a child has not been picked up within 30 minutes and we cannot contact the emergency contact, our policy is to contact Child Care Services (DSS) and the Rapid City Police Department. **Initial**_____

Please do not bring your child to Fit-n-Fun if he/she is ill, has a contagious condition, has been on antibiotics for less than 24 hours, has diarrhea, vomiting, a fever of 101 or higher, an eye infection, rash with fever or severe itching, lice or nits, discharge from the eyes or ears, colored discharge from the nose, or any other symptom that indicates illness or potentially contagious condition. A child who is brought to the program with any of these conditions or symptoms cannot be admitted. Parents will need to pick up their child. If any of these symptoms develop after a child has been admitted to the program, the parents will be called and informed of their child's symptoms, and will need to make arrangements to pick up their child within one hour of being notified. After being sent home for any of these conditions or symptoms, a child may not return for 24 hours. **Initial**_____
