Come Join The C3 Family!

Founded in 2013 Camden Clock Chasers is open to youth ages 5-14. We seek to build confidence and instill drive in every child. Our goal is to encourage and help our youth to develop physically, emotionally, and socially thru their involvement in track and field. We believe that children excel in a nurturing family environment; so we strive to provide a well-rounded experience for children of all skill levels. Our athletes compete in USATF & AAU sanctioned track meets.
