

## **DuPage Cheer & Power Tumbling Summer Tumbling Policies & Procedures June - August 2020**

### **BILLING**

- We are back to a continuous enrollment/monthly billing system for June, July and August.
- There are no refunds.
- Credits from March? We will start to apply credits to people's accounts in September so we can open strong after being closed for 11 weeks.
- Drop a class? You will stay enrolled and thus be billed for June, July and August unless you submit in writing (email) a request to drop by the 15th of the month prior. Example: Drop for July we need an email by June 15th.
- Charge dates: June 5th for June 8 - July 3; June 25th for July 6 - 31; July 25th for August 3-31
- Siblings receive 20% off of 1 class
- If your membership is not current, you will be charged the prorated summer membership rate of \$15/individual or \$25/family. This membership is good through end of August 2020.
- No class on Friday July 3 and Monday July 6. There will be no prorating for these missed days as there are still 4 Fridays in July and August has 5 Mondays so each month still averages 4 classes/mo.

### **MAKE UP CLASSES**

- We highly recommend you come to your regularly scheduled class as much as possible this summer. Of course if you are sick or out of town, we will work with you to make up your classes.
- We will try to schedule make ups in other open classes but if all classes are full, we will create make up classes/open work outs on Fridays and Saturdays where you can call ahead and schedule a make up class/open work out.
- Can't seem to make your regularly scheduled class too often? Call us and we can try to move to you a different day/time!
- When you go back to school and your current class time conflicts with your school schedule, give us a call and we can move you to an afternoon class which we are hoping we will have more of and "back to normal" schedule come August 17th.

### **WHAT TO BRING TO THE GYM?**

- The cubbies are gone so please bring a gym bag large enough to hold all your stuff.
- Lots of water- that will fit in your bag.
- Personal supply of hand sanitizer (optional).
- Clean socks/grippy socks/trampoline shoes/cheer shoes.
- WEAR DIFFERENT SHOES INTO THE GYM.
- A plastic grocery bag to place street shoes in to be placed in your bag.
- Please do not bring food or any drinks other than water.

## **NEW PROTOCOLS - DROP-OFF/PICK-UP/PARKING**

- **BEFORE YOU LEAVE HOME-** go to the bathroom and wash your hands if at all possible. Although bathrooms are of course available for every child in the gym during class, we are asking everyone to try to limit the DCA bathroom use in an effort to keep the spread of germs to a minimum. We will be cleaning the bathroom in between each class/group (as well as the equipment and mats) but we'd appreciate your cooperation if possible.
- We will be operating classes with social distancing in mind. No students will be required to wear masks as it is unsafe to exercise in a mask. Coaches will wear mask if they are spotting/within 6 feet when needed.
- We encourage parents and guardians to discuss social distancing, mask-wearing and increased hand washing with their children prior to every class. This will all get easier as the weeks go by.
- **Parents- enter parking lot entrance and pull forward to eastern most corner of building staying parallel to building.** Drop child off on passenger side and have them walk to sidewalk and up to lobby door (eastern most building door). Then, pull through and exit out of parking lot. If you need to park and walk your child in, please use parking spots closest to St. Charles Road.
- All athletes will ENTER EASTERN MOST DOOR (lobby door).
- There will be green dots taped on lobby floor; find one and wait till coach comes and gets you.
- Parents- please drop off. No parents in lobby unless your child needs you to stay.
- Once student is in gym, they will take off street shoes, place them in the plastic grocery bag and place bagged shoes in backpack.
- Wash your hands or use hand sanitizer and wait till coach brings you to the floor to start class.
- There will be new places to wait for equipment and new walking patterns; the gym will look different and it will take some time to get used to it (for coaches too). Please be patient.
- When class is over, athletes will walk to get their bags, take them to the old team area, put shoes on and EXIT OUT WESTERN MOST DOOR (old team door).
- Parents- please be prompt for pick up and follow the same drop-off protocol as stated above.

*Thank you for your understanding and commitment to these new policies and procedures. We are making a tremendous effort to offer beneficial classes while keeping the business open all while practicing social distancing as much as possible. We are doing the best we can with a unique situation and we appreciate your patience. We may have to change a policy here and there as we go through the summer and find something does not work or a new mandate is proposed. We will keep you posted.*

Thanks again for registering for classes this summer. We are so happy to be open and thankful to you for trusting us and supporting us. If you have any questions at anytime, please reach out!
