---

3. Did you attend any of the SYS activities or events? YES NO

*(If you answered yes, which ones & what did you think about them)*

4. This year SYS invited Nick Hanson (America Ninja Warrior) from Unalakleet and Byron Nicolai (I Sing You Dance) from Toksook Bay, to engage and inspire the children and perform for a community event.

We feel strongly our youth need role models they can identify with, who understand the obstacles many of our youth face in rural Alaska. We are already planning for next year and would like your input, who do you recommend we invite?
