

PUBLIC NOTICE

Pursuant to the Wyoming Administrative Procedure Act and the Wyoming Public Service Commission's (Commission) Rules, notice is hereby given of the Application of Black Hills Wyoming Gas, LLC d/b/a Black Hills Energy (BHWG or the Company), for authority to revise its established distribution areas and Wobbe Indices, as more fully described below.

1. BHWG is a public utility subject to the Commission's jurisdiction. Wyo. Stat. §§37-1-101(a)(vi)(D) and 37-2-112.

2. On March 26, 2024, BHWG submitted its Application requesting authority to revise its established distribution areas and Wobbe Indices. Specifically, the Company proposes updating the Wobbe Indices for the Riverton-Kinnear Area, Lander-Hudson Area, Arapahoe Area, Ethete-Fort Washakie Area, Pavillion Area, and Shoshoni Area. The Company states that many of the Wobbe Indices in effect were established in the 1980s, and are outdated due to changes in the natural gas supply, and that several of the locations used to test the supply are redundant. BHWG states that its proposed measurement points and methods will better represent a more constant and accurate measurement of gas quality delivered to customers than previously available.

3. This is not a complete description of the Application. The complete Application is available at the Commission's offices or online at: <https://dms.wyo.gov/external/publicusers.aspx> (Enter Record No. 17533).

4. Anyone desiring to file a statement, intervention petition, protest, or request for a hearing must do so in writing, on or before May 6, 2024. Petitions shall set forth the grounds of the proposed intervention or request for hearing as well as the position and the interest of the petitioner in this proceeding. Please mention Docket No. 30026-89-GA-24 in your communications.

5. If you wish to participate in this matter and you require reasonable accommodation for a disability, please contact the Commission at (307) 777-7427, or 2515 Warren Avenue, Suite 300, Cheyenne, Wyoming 82002.
