

## 2014 Year End Report

This year Sam's Covers was founded. Sam's Covers raised over \$3,000, with that money we made 83 blankets and bought 40 bed sheet sets. Sam's Covers also signed up to be a nonprofit organization and received tax exempted status for the IRS. This year they were very exciting and packed full. In the beginning Sam's Covers goal was only \$900 and we almost quadrupled that amount without expecting. I presented Sam's Cover to the youth group at my church, Holy Trinity. In the youth group there were about 200 kids and from that Sam's Covers received \$210 in cash and about 20 blankets. Samantha Sanchez presented Sam's Covers to a Girl Scouts troop. About 20 young girls were curious and asked a lot of questions. Samantha Sanchez held the annual fund raising party, at that event Sam's Covers raised over \$550. With the help of 10 volunteers Sam's Covers made 83 blankets. Blankets and sheets were donated to the SAMMinistry organization. In December Sam's Covers helped pack and deliver 60 lunches with socks we purchased. After expenses Sam's Covers balance is now \$900. That money will be used for 2015.
