**CHESS SUPERSITE CORPORATION**  
**NOTES TO THE UNAUDITED CONDENSED FINANCIAL STATEMENTS**

**1. Organization, Nature of Business, Going Concern and Management Plans**

**Organization and Nature of Business**

Chess Supersite Corporation ("Chess Supersite" or "the Company") was incorporated on July 2, 2013 under the laws of the state of Delaware to engage in any lawful corporate undertaking, including, but not limited to, selected mergers and acquisitions. The Company has been in the developmental stage since inception and its operations to date have been limited.

In May, 2014, the Company effected a change in control by the redemption of the stock held by its original shareholders, the issuance of shares of its common stock to new shareholders, the resignation of its original officers and directors and the appointment of new officers and directors.

On July 6, 2015, the Company filed its form S-1/A, to amend its form S-1 previously filed on January 26, 2015 and December 11, 2014. The prospectus relates to the offer and sale of 1,500,000 shares of common stock (the "Shares") of the Company, \$0.0001 par value per share, offered by the holders thereof (the "Selling Shareholder Shares"), who are deemed to be statutory underwriters. The selling shareholders will offer their shares at a price of \$0.50 per share for the duration of the offering.

The maximum number of Shares that can be sold pursuant to the terms of this offering by the selling shareholders is (in aggregate) 1,500,000 Shares. Funds received by the selling shareholders will be immediately available to such selling shareholders for use by them. The Company will not receive any proceeds from the sale of the Selling Shareholder Shares.

On July 13, 2015, the Company received a notice of effectiveness from the SEC for the registration of its shares.

On September 22, 2015, the Company was able to secure an OTC Bulletin Board symbol *CHZP* from Financial Industry Regulatory Authority (FINRA).

**Going Concern and Management Plans**

The Company has not yet generated significant revenue since inception to date and has sustained operating losses during the six months ended June 30, 2016. The Company had working capital deficit of \$1,192,853 and an accumulated deficit of \$3,822,099 as of June 30, 2016. The Company's continuation as a going concern is dependent on its ability to generate sufficient cash flows from operations to meet its obligations and/or obtaining additional financing from its members or other sources, as may be required.

The unaudited condensed interim financial statements have been prepared assuming that the Company will continue as a going concern; however, the above condition raises substantial doubt about the Company's ability to do so. The condensed unaudited financial statements do not include any adjustments to reflect the possible future effects on the recoverability and classification of assets or the amounts and classifications of liabilities that may result should the Company be unable to continue as a going concern.

In order to maintain its current level of operations, the Company will require additional working capital from either cash flow from operations or from the sale of its equity. However, the Company currently has no commitments from any third parties for the purchase of its equity. If the Company is unable to acquire additional working capital, it will be required to significantly reduce its current level of operations.

**2. Summary of Significant Accounting Policies**

**Basis of Presentation**

The unaudited condensed interim financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP") for interim financial information and the rules and regulations of the SEC and are expressed in US dollars. Accordingly, the unaudited condensed interim financial statements do not include all information and footnotes required by US GAAP for complete annual financial statements. The unaudited condensed interim financial statements reflect all adjustments, consisting of only normal recurring adjustments, considered necessary for a fair presentation. Interim operating results are not necessarily indicative of results that may be expected for the year ending December 31, 2016 or for any other interim period. The unaudited condensed interim financial statements should be read in conjunction with the audited financial statements of the Company and the notes thereto as of and for the year ended December 31, 2015.

**CHESS SUPERSITE CORPORATION**  
**NOTES TO THE UNAUDITED CONDENSED FINANCIAL STATEMENTS**

**Reclassification of comparative figures**

Certain of the prior period figures have been reclassified to align with Management's current view of the Company's operations.

**Use of Estimates**

The preparation of the unaudited condensed interim financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the unaudited condensed financial statements and the reported amounts of revenues and expenses during the reporting periods. Estimates may include those pertaining to accruals. Actual results could materially differ from those estimates.

**Revenue recognition**

In accordance with ASC 605, revenue is recognized when persuasive evidence of an arrangement exists, services have been performed, the amount is fixed and determinable, and collection is reasonably assured.

**Recently Issued Accounting Standards**

The Company evaluated all recent accounting pronouncements issued and determined that the adoption of these pronouncements would not have a material effect on the financial position, results of operations or cash flows of the Company.

Any shares of preferred stock so issued would typically have priority over the common stock with respect to dividend or liquidation rights. The board of directors does not at present intend to seek stockholder approval prior to any issuance of currently authorized stock, unless otherwise required by law or otherwise.

**7. Loss Per Share**

FASB ASC 260, Earnings Per Share provides for calculations of "basic" and "diluted" earnings per share. Basic earnings per share includes no dilution and is computed by dividing net income (loss) available to common stockholders by the weighted average common shares outstanding for the period. Diluted earnings per share reflect the potential dilution of securities that could share in the earnings of an entity similar to fully diluted earnings per share. Diluted EPS excludes all dilutive potential shares if their effect is anti-dilutive.

**8. Subsequent Events**

In July 2016, the Company issued 730,000 shares of common stock to individuals as consideration for advisory and consultancy services, which were recorded at fair value.

### **Overview**

Chess Supersite Corporation ("Chess Supersite" or "the Company") was incorporated on July 2, 2013 under the laws of the state of Delaware to engage in any lawful corporate undertaking, including, but not limited to, selected mergers and acquisitions. The Company has limited operations to date. The company was formed to provide a method for a foreign or domestic private company to become a reporting company with a class of securities registered under the Securities Exchange Act of 1934.

The Company registered its common stock on a Form 10 registration statement filed pursuant to the Securities Exchange Act of 1934 (the "Exchange Act") and Rule 12(g) thereof. The Company files with the Securities and Exchange Commission periodic and current reports under Rule 13(a) of the Exchange Act, including quarterly reports on Form 10-Q and annual reports Form 10-K.

In May, 2014, the Company effected a change in control by the redemption of the stock held by its original shareholders, the issuance of shares of its common stock to new shareholders, the resignation of its original officers and directors and the appointment of new officers and directors.

The Company issued 1,000,000 shares of its common stock pursuant to Section 4(2) of the Securities Act of 1933 at par representing 66.7% of the total outstanding 1,500,000 shares of common stock as follows:

500,000	Rubin Schinderman
500,000	Alexander Starr

With the issuance of the 1,000,000 shares of stock and the redemption of 20,000,000 shares of stock, the Company effected a change in its control and the shareholder(s) elected new management of the Company. The Company changed its name as part of the change in control.

## ITEM 2: MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS (continued)

### **Business and Plan of Operations**

The Company is designed to become an online chess site featuring sophisticated playing zone, game broadcasts with software analyses and top analysts' commentaries, education and other chess oriented resources. With the availability of global high speed Internet access, the Company anticipates that it will be able to deliver a high quality product featuring broadcasts of top worldwide games, education, interactivity, playing and other services.

The Company believes that chess players have two major needs: (1) to play against each other and (2) to watch games of top players including Grandmasters. The viewing of chess games is particularly adaptable to the Internet to allow for real time or archived viewing while enjoying the comments, announcements and analyses of top experts. The Company anticipates that the playing zone will utilize two-level architecture allowing thousands of users to watch and play as individuals and/or as teams. Web-based services designed for browsers and table computers will be the project's centerpiece and main point of focus. The Company anticipates that such an Internet site will have a great appeal to the vast worldwide chess playing population.

The Company, acquired certain assets (the "Acquisition") of Chess Supersite, Inc., a corporation existing under the laws of Ontario, Canada. The Acquisition was consummated pursuant to the terms of the Asset Purchase Agreement (the "Agreement") dated July 23, 2014 and in exchange for the issuance of 5,000,000 shares of common stock to Chess Supersite, Inc. The purpose of the Acquisition was to develop the Company's business and build substantive operations from this initial base of assets, as well as to facilitate and prepare the Company for a registration statement and/or public offering of securities. On December 11, 2014 the Company filed a form 8-K, changing the status of the company from shell to operating.

The Company had not generated revenues and had no income or cash flows from operations since inception. The Company's independent auditors have substantial doubt about the Company's ability to continue as a going concern. At present, the Company has no revenues and the continuation of the Company as a going concern is dependent upon financial support from its stockholders and its ability to obtain necessary equity financing to continue its operations.

Currently, the Company is in the process of completing its comprehensive user friendly web site and has secured the domain name Chesscoliseum.com which is ready for its Beta release. The portal is going through extensive testing by our professionals and public-at-large. The website is currently operating in Beta mode and is expected to be fully tested and operational by the third quarter of 2016, including the program for the opening date (matches, tournaments, chess skilled contests), incentives for the public (such as 1 year free Platinum Membership to those registered under their real names) etc. The Company has also involved World's top Grandmasters as members of the advisory board, commentators, and as event programming managers, etc.

On July 6, 2015, the Company filed its form S-1/A, to amend its form S-1 previously filed on January 26, 2015 and December 11, 2014. This prospectus relates to the offer and sale of 1,500,000 shares of common stock (the "Shares") of Chess Supersite Corporation. (the "Company"), \$0.0001 par value per share, offered by the holders thereof (the "Selling Shareholder Shares"), who are deemed to be statutory underwriters. The selling shareholders will sell the shares offered herein at the fixed price of \$0.50 per share for the duration of the offering.

The maximum number of Shares that can be sold pursuant to the terms of this offering by the selling shareholders is (in aggregate) 1,500,000 Shares. Funds received by the selling shareholders will be immediately available to such selling shareholders for use by them. The Company will not receive any proceeds from the sale of the Selling Shareholder Shares.

On July 13, 2015, the Company received a notice of effectiveness from the SEC for the registration of its shares.

On September 22, 2015, the Company was able to secure a OTC Bulletin Board symbol *CHZP* from Financial Industry Regulatory Authority (FINRA).

## ITEM 2: MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS (continued)

### Results of Operations

We have not generated significant revenue to date and consequently our operations are subject to all of the risks inherent in the establishment of a new business enterprise. Our analysis on the performance of the Company is as follows:

#### *Balance sheet – As at June 30, 2016 and December 31, 2015*

##### **Cash**

At June 30, 2016 we had cash of \$85,413 compared to \$838 as at December 31, 2015. The increase is due to funds contributed by investors and shareholders offset by payment of software development and consulting expenses and professional and legal expenses during the period.

##### **Accounts payable and accrued liabilities**

At June 30, 2016 we had \$244,971 of accounts payable and accrued liabilities as compared to \$480,919 as at December 31, 2015. The balance primarily represents software development charges amounting to \$164,000, marketing services cost amounting to \$28,500, rent amounting to \$15,000, legal fee amounting to \$5,000 and interest on promissory notes amounting to \$18,673.

##### **Payable to related parties**

At June 30, 2016 we had \$519,197 of amount payable to related parties as compared to \$400,000 as at December 31, 2015. The balance represents management services fee outstanding to the two shareholder/managers of the Company.

##### **Shareholder advances**

At June 30, 2016 we had \$139,098 of shareholder advances as compared to \$195,436 as at December 31, 2015. The balance represents Company expenses personally paid by shareholders.

##### **Convertible promissory notes payable**

In March, 2016, we entered into agreements with two investors and issued them convertible promissory notes amounting to \$150,000 each. The outstanding amounts under these notes are due on or before September 1, 2016. In May, 2016, we entered into an agreement with an investor and issued them a convertible promissory note amounting to \$75,000. The outstanding amount under the note is due on or before May 19, 2017. Interest accrued on these notes during the six months ended June 30, 2016 amounted to \$24,673.

#### *Statement of Operations – For the six months June 30, 2016 and 2015:*

##### **Revenue**

During the period, we invoiced and received \$4,500 as consideration for the supply of equipment and personnel to setup and produce a live streaming internet chess show from Marshall Chess Club.

##### **Expenses**

Our expenses are classified primarily into salaries and wages, legal and professional fees, software development expense and website development and marketing expense. The significant increase in overall expenses for the six months ended June 30, 2016 compared to 2015 is due to the company's limited operations in the comparative period.

Expenses for the six months ended June 30, 2016 primarily represented Advisory and consultancy fee amounting to \$253,091, salary for two employees amounting in total to \$150,000, donation of \$45,000, legal and professional charges of \$52,184 comprising audit, accounting and Edgar agent fee, software development expense of \$124,990 for the development of the online chess gaming system, website development and marketing expense amounting to \$41,667 for the development of the Company's website Chesscoliseum.com and its marketing and publicity, rent amounting to \$7,530, office and general expenses amounting to \$11,137 and interest and bank charges amounting to \$25,311.

## **ITEM 2: MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS (continued)**

### **Liquidity and Capital Resources**

At June 30, 2016, we had a working capital deficit of \$1,192,853. We are actively seeking various financing operations to meet the working capital requirements.

To date we have relied on third parties to provide financing for our operations by way of private placements. The proceeds may not be sufficient to effectively develop our business to the fullest extent to allow us to maximize our revenue potential, in which case, we will need additional capital.

### **Off-Balance Sheet Arrangements**

We have no off-balance sheet arrangements that have or are reasonably likely to have a current or future effect on our financial condition, changes in financial condition, revenues or expenses, results of operations, liquidity, capital expenditures or capital resources that are material to stockholders.

### **Critical Accounting Policies**

Revenue is recognized when persuasive evidence of an arrangement exists, services have been performed, the amount is fixed and determinable, and collection is reasonably assured.

Other critical accounting policies are described in the Company's Form 10-K for the year ended December 31, 2015.

### **Subsequent Events**

In July 2016, we issued 730,000 shares of common stock to individuals as consideration for advisory and consultancy services, which were recorded at fair value.

### **Description of Property**

Our principal executive office is located at 1131A Leslie Street, Suite 101, Toronto, Ontario, Canada, M3C 3L8.

### **ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK.**

### **ITEM 4. CONTROLS AND PROCEDURES**

#### **Evaluation of disclosure controls and procedures**

Pursuant to Rule 13a-15(b) under the Securities Exchange Act of 1934 (“Exchange Act”), the Company carried out an evaluation, with the participation of the Company’s management, including the Company’s principal executive officer and principal financial officer of the effectiveness of the Company’s disclosure controls and procedures (as defined under Rule 13a-15(e) under the Exchange Act) as of the end of the period covered by this report. Based upon that evaluation, the Company’s principal executive officer and principal financial officer concluded that the Company’s disclosure controls and procedures were not effective as of June 30, 2016 to ensure that information required to be disclosed by us in the reports that we file or submit under the Exchange Act (i) is recorded, processed, summarized and reported, within the time periods specified in the SEC’s rules and forms and (ii) is accumulated and communicated to our management, including our chief executive officer and chief financial officer, as appropriate to allow timely decisions regarding required disclosure.

It should be noted that any system of controls, however well designed and operated, can provide only reasonable, and not absolute, assurance that the objectives of the system are met. In addition, the design of any control system is based in part upon certain assumptions about the likelihood of future events. Because of these and other inherent limitations of control systems, there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions.

#### **Changes in internal controls**

No change in our system of internal control over financial reporting occurred during the six months ended June 30, 2016 that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.
