Old Business:

None

New Business:

1. Next year's signup paper form is ready to go out. As soon as the web form is ready to go the paper form will be sent home. There are still issues with being able to reach Kindergarten families. Last year Staci went to Kindergarten Jump Start with a PTO table and got a good response, so we may try that strategy again this year. There was also great response from being at Meet the Teacher, as well, with a PTO table. We will look at doing this again in the fall, as well.
2. Fall Fundraiser communications should start coming soon. Discussed the positive response from Entertainment Books. The final decision will come once we know who will sign up for the committee for next year.

Committee Reports:

1. Yearbook: As of yesterday, 300 orders were received. This was more than any year past. They will be in sometime in May.
2. School Supplies: Order forms have come home, and online orders are still available.
3. Spring Fundraiser: Forms were distributed on Friday afternoon so should be coming home this week. This will go through April 27th. There will be individual prizes and classroom prizes.
4. Scrip: Order forms will come out this week. The due date is April 24th. Gift cards should be out to the kids by the first Friday in May.

Open Forum for Questions:

- None.
