A WARM WELCOME FOR ALL

Welcome to the Willette church of Christ, where you will find the Bible as our only rule for faith and practice. We seek to speak where the Bible speaks and to be silent where the Bible is silent. We want to call Bible things by Bible names and do Bible things in Bible ways.

Jesus said, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost" (Matthew 28:18-20). Our evangelistic efforts include several local and foreign mission works listed on the back of this bulletin. The home congregation is the most important work. Therefore, every month, we spend time door knocking, visiting, and helping our local community. We have a large benevolent building that operates every Tuesday from 8:30-12:30, which offers free clothes and other items to anyone in need. Our primary foreign work is found in Andhra Pradesh, India, where Brother *Jack Honeycutt* serves as our full time mission coordinator. We are also blessed to have a full time prison ministry with services conducted each Sunday from 1:00-3:00. Brother *Tim McHenry* is our regular preacher. In addition to preaching, he teaches classes and is involved in many works here at Willette. Our associate preachers *Mark West* and *Ben Smith* preach, teach classes, minister in the nursing home, coordinate our visitation teams, and work with our Bible camp and youth in general. In addition, we have a radio program on 102.1 FM that airs each weekday around 12:15.

We are a Bible centered, mission minded, and family oriented church. We hope you will enjoy our fellowship. Thank you for coming, and please return at every opportunity.

Tidings from Timothy

Let's say someone is converted. After all, I have just preached on each act of obeying the gospel. Now we are ready to talk about "Faithfulness." This is a wide ranging topic and will be one I know we all can benefit from studying together this morning. Having gone over each act of worship, I want to switch gears and give my first sermon on the home Sunday night.

Sweetheart Banquet: It has been many years since the church did one of these. We have some special activities to go with the meal, so we are looking for some help for next Sunday night. A sign-up sheet is out on the board for those who want to help. Everyone bring finger foods and old pics of you as a couple to be posted on the "guess who these are?" board. Listen for more announcements on this event for next Sunday night (the 17th)!

Singing: There is a singing at Draper's Crossroads today at 2 I think.

Family Bible Hour: This will be today at 5:15. **During Family Bible Hour we will not have pew packer class.** Pew Packer will resume after FBH ends in March.

Mt. Gilead Ladies Day: We now have an advert posted for this event which will be on the 16th (NOT the 19th as I earlier thought) of March. Celine Sparks is the speaker and brunch is provided.

You left your dishes: Please pick up your dish that was left in the fellowship area on the table. There are still many left, if you forgot yours, come and get it. If you see a dish that looks like yours, come and get your dish. If you see a dish on that table that looks like one you wanted to have – please get what is now YOUR dish. Do you think that dish is pretty and there is no name on it? Well, possession is 9/10ths of the law, please take your dish. This is the last call for you to get your dish or it will go to the BBuilding.

Drug Problems

I have been unable to come up with the author of the piece below, but I appreciate its thrust and say "Amen" to it. I thank its unnamed and unknown source and commend its message to one and all.

The other day, someone at a store in our town read that a methamphetamine lab had been found in an old farmhouse in the adjoining county and he asked me a rhetorical question, "Why didn't we have a drug problem when you and I were growing up?"

I replied: "I had a drug problem when I was young."

> I was drug to church services.

• I was drug to weddings and funerals.

• I was drug to family reunions and community socials no matter the weather.

• I was drug by my ears when I was disrespectful to adults.

• I was also drug to the woodshed when I

disobeyed my parents, told a lie, brought home a bad report card, did not speak with respect, spoke ill of the teacher or the preacher, or if I didn't put forth my best effort in everything that was asked of me.

• I was drug to the kitchen sink to have my mouth washed out with soap if I uttered a profane four-letter word.

• I was drug out to pull weeds in Mom's garden and flower beds and cockleburs out of Dad's fields.

• I was drug to the homes of family, friends, and neighbors to help out some poor soul who had no one to mow the

yard, repair the clothesline, or chop some firewood; and, if my mother had ever known that I took a single dime as a tip for this kindness, she would have drug me back to the woodshed.

Those "drugs" are still in my veins; and they affect my behavior in everything I do, say, and think.

They are stronger than cocaine, crack, or heroin; and, if today's children had this kind of drug problem, America would be a better place. – Bob Spurlin
